ABOUT THE CONFERENCE

Since 1965, Federal Publications started each year with an annual private conference for subscribers to review the Government contracts developments of the preceding year. West is continuing that tradition.

Subscribers to selected Government contracts periodicals in print, CD-ROM or through Westlaw Pro receive an invitation to the upcoming *Government Contracts Year In Review Conference*. Thus, if you subscribe to multiple publications, you will receive as many invitations. If you want to send additional people, you can do so at a special per-person registration price.

We are pleased to invite you to attend our next *Government Contracts Year In Review Conference*. We hope that you will take advantage of the opportunity and join us in February.

Registration & Admission

SUBSCRIBER INFORMATION ◆
