

Antitrust and Trade Regulation Databases

Current through April 9, 2008

Westlaw provides antitrust and trade regulation practitioners with a comprehensive library of databases covering the promotion of competition and the prevention of monopoly as well as the regulation of domestic trade and commerce. Among the subjects included are the Clayton Act, the Robinson-Patman Act, the Sherman Act, similar state acts, consumer protection, fair trade, price fixing, and trade secrets.

These antitrust and trade regulations databases include cases; statutes and regulations; administrative materials from the Federal Trade Commission (FTC) and the Antitrust Division of the U.S. Department of Justice (DOJ); legal treatises and periodicals; and expert analysis from BNA.

For assistance using Westlaw, call 1-800-WESTLAW (1-800-937-8529).

For free reference materials, visit west.thomson.com/westlaw/guides.

Combined Materials

DATABASE	IDENTIFIER
Federal Antitrust and Trade Regulation–Combined Federal Antitrust and Trade Regulation Materials	FATR-ALL
All documents from the Federal Antitrust and Trade Regulation–Antitrust Releases (FATR-ANTI), Federal Antitrust and Trade Regulation–Department of Justice Business Review Letters (FATR-BRL), Federal Antitrust and Trade Regulation–Code and Regulations (FATR-CODREG), Federal Antitrust and Trade Regulation–Federal Cases (FATR-CS), Federal Antitrust and Trade Regulation–Federal Trade Commission Decisions (FATR-FTC), and Federal Antitrust and Trade Regulation–News Releases (FATR-NR) databases. Coverage varies by source.	
Global Competition and Antitrust–All	GCA-ALL
All materials currently available on Westlaw that relate to global competition and antitrust, including cases, legislation, treaties, journals, and law reviews, from the European Union and various countries, including Australia, Canada, China, Hong Kong, Singapore, the United Kingdom, and the United States. Coverage varies by source.

Treaties relating to global competition and antitrust as found in the American Society of International Law (ASIL), North American Free Trade Agreement (NAFTA), Uruguay Round General Agreement on Tariffs and Trade (GATT), and European Union Legislation (EU-LEG) databases. Coverage varies by source.	
Legal Treatises and Practice Guides	
DATABASE	IDENTIFIER
Antitrust and Trade Regulation–Law Reviews, Texts, and Bar Journals	ATR-TP
Documents from law reviews, texts, <i>American Jurisprudence 2d</i> (Am Jur [®] 2d), continuing legal education (CLE) course materials, bar journals, and legal practice–oriented periodicals that relate to the promotion of competition, the prevention of monopoly, and the regulation of domestic trade and commerce. Coverage varies by publication.	
Acquisitions Under the Hart-Scott-Rodino Antitrust Improvements Act	AHSRA
Full text of the treatise <i>Acquisitions Under the Hart-Scott-Rodino Antitrust Improvements Act</i> .	
Advertising and Commercial Speech: A First Amendment Guide	PLIREF-SPEECH
Text of the Practising Law Institute's (PLI's) <i>Advertising and Commercial Speech: A First Amendment Guide</i> , which covers the development of the commercial speech doctrine in U.S. federal court decisions and reviews its application to the regulation of advertising, including defamation, disparagement, tort liability for publishing false advertising, regulation of the advertising medium, and regulation of advertising content.	
Antitrust and American Business Abroad	ANTITRAABA
Full text of <i>Antitrust and American Business Abroad</i> , Third Edition, which discusses the challenges of applying antitrust principles to the international activities of American businesses. Topics covered by the treatise include U.S. competition laws and those of its trading partners, the conflict between competition and international trade remedies, the history and current state of antitrust law, business abroad and international trade, basic jurisdictional and substantive concepts, the impact of antitrust law on imports and licenses, the administration of antitrust law, and foreign and international antitrust law.	
Antitrust Basics	ANTITRBAS
Full text of the treatise <i>Antitrust Basics</i> .	
Antitrust Law Handbook	ANTITRHDBK
Full text of the <i>Antitrust Law Handbook</i> , which covers the most recent developments in American antitrust law and practice, from procedure to substantive issues.	
Callmann on Unfair Competition, Trademarks, and Monopolies	CALLMANN
Full text of <i>Callmann on Unfair Competition, Trademarks, and Monopolies</i> , Fourth Edition, which analyzes the law of unfair competition as it relates to trademarks, passing off, trade secrets, misappropriation, price discrimination, predatory pricing, and monopolies.	
Consumer Protection and the Law	CONPROT
Full text of <i>Consumer Protection and the Law</i> , which provides information on all aspects of consumer protection laws, such as those related to advertising, sales practices, unfair and deceptive trade practices, consumer fraud, and product warranties. The treatise discusses the administration of these laws and procedures, remedies, and litigation strategies.	
Corporate Anti-Takeover Defenses: The Poison Pill Device	SECPILL
Full text of <i>Corporate Anti-Takeover Defenses: The Poison Pill Device</i> , a handbook covering strategies for avoiding hostile corporate takeovers by utilizing shareholders' rights plans, including the drafting and enforcement of poison pill plans.	

<p>Corporate Compliance Series: Antitrust</p> <p>Text of <i>Designing an Effective Antitrust Compliance Program</i>, a volume of West's Corporate Compliance series, which provides expert guidance on compliance issues related to antitrust plus examples of checklists, questionnaires, policy statements, and other helpful documents.</p>	CORPC-ATR
<p>Corporate Counsel's Antitrust Deskbook</p> <p>Full text of the <i>Corporate Counsel's Antitrust Deskbook</i>, which provides a basic understanding of antitrust law. The treatise discusses the Sherman Act, Robinson-Patman Act, Federal Trade Commission Act, and Clayton Act, along with topics such as premerger notification, antitrust and intellectual property, antitrust aspects of distribution, antitrust leniency and sentencing, antitrust and employment, and antitrust compliance programs.</p>	CCATRDB
<p>Corporate Counsel's Guide to International Antitrust</p> <p>Full text of the <i>Corporate Counsel's Guide to International Antitrust</i>, which discusses the principles of international antitrust laws, including U.S. laws that have application abroad and laws of other jurisdictions, such as the European Union and Canada.</p>	CCGINTATR
<p>Corporate Counsel's Guide to the Robinson-Patman Act</p> <p>Full text of the <i>Corporate Counsel's Guide to the Robinson-Patman Act</i>, a guide to complying with all aspects of the Robinson-Patman Act. Topics covered include price discrimination, commercial bribery, functional discounts, advertising and promotional allowances, buyer liability, price deviation forms, cost justification, meeting competition, effect on competition, damages, and interstate commerce requirements. The guide also includes executive legal summaries on key points and illustrative compliance forms.</p>	CCGRPA
<p>Corporate Counsel's Guide to Unfair Competition</p> <p>Full text of the <i>Corporate Counsel's Guide to Unfair Competition</i>, which provides guidance on how to avoid illegal competitive practices. Topics covered by the treatise include comparative advertising, trademark infringement, trade dress protection, trademark dilution, copyright infringement, gray market goods, trade secrets and protecting customer lists, labeling and packaging, employee raiding, covenants not to compete, insurance coverage, product announcements, false or misleading advertising, unfair imports, state unfair competition laws, and commercial bribery.</p>	CCGUNFCOM
<p>Federal Trade Commission</p> <p>Text of <i>Federal Trade Commission</i>, a treatise covering various aspects of the FTC, from the provisions of the Federal Trade Commission Act and subsequent amending acts such as the Magnuson-Moss Warranty Act, to the FTC's investigatory powers, jurisdiction, current organization, and operating procedures.</p>	FEDTRCOMM
<p>Gellhorn, Kovacic, and Calkins' Antitrust Law and Economics in a Nutshell</p> <p>Full text of <i>Antitrust Law and Economics in a Nutshell</i>, Fifth Edition, which covers topics such as restraint of trade at common law, antitrust statutes, horizontal and vertical restraints, monopoly and oligopoly problems, mergers, intellectual property issues, price discrimination, enforcement and adjudication, and limits on the scope of the antitrust system. Not available to law school subscribers.</p>	ANTITRUST-NS
<p>Health Care and Antitrust Law</p> <p>Full text of <i>Health Care and Antitrust Law</i>, which analyzes the antitrust issues affecting health care providers. The treatise gives an overview of general antitrust principles and describes how they apply to different health care industry segments. It includes discussion of the Robinson-Patman Act, the Nonprofit Institutions Act, and the Sherman Antitrust Act, as well as forms, letters, opinions, and speeches from more than 30 hard-to-find sources.</p>	HTHATRL
<p>Heydon: Trade Practices Law</p> <p>Full text of <i>Trade Practices Law</i>, a treatise that covers consumer protection law and practice, including commentary on restrictive trade practices and deceptive conduct and analysis of the Trade Practices Act 1974 and related legislation and case law.</p>	HEYDON-TPL

Hovenkamp's Hornbook on Federal Antitrust Policy, The Law of Competition and Its Practice ANTITRPOL-HB

Full text of *Federal Antitrust Policy: The Law of Competition and Its Practice*, Third Edition, which covers nearly all aspects of federal antitrust policy. The treatise states the black letter law and presents policy arguments for alternatives. It also includes an analysis of recent Supreme Court and lower-court decisions. Not available to law school subscribers.

Intellectual Property and Antitrust Law

IPANTITRST

Full text of *Intellectual Property and Antitrust Law*, which provides solutions to a wide range of legal problems that arise in the field of antitrust and intellectual property law. Beginning with a thorough update and overview of intellectual property and antitrust law, the treatise proceeds point-by-point through the key issues and problems related to the acquisition of intellectual property; the distributional restraints involving patents, trade secrets, trademarks, and copyright; dealer terminations; and the enforcement of intellectual property rights. The treatise includes extensive case citations and references to relevant texts and articles.

Intellectual Property Litigation Guide: Patents and Trade Secrets

IPLITGUIDE

Full text of *Intellectual Property Litigation Guide: Patents and Trade Secrets*, which discusses the procedural and evidentiary issues that arise in patent and trade secret disputes and litigation, including relevant cases, statutes, and rules.

International Business Transactions

INTBUSTRAN

Full text of *International Business Transactions*, Third Edition, which discusses trade regulation, licensing, and investment law, with special attention given to NAFTA and GATT. The treatise includes chapters on investing in specific markets (Europe, East Asia, developing nations, and nonmarket economies) and covers not only U.S. law but also E.U. law.

International Trade and U.S. Antitrust Law

ITUSA

Full text of *International Trade and U.S. Antitrust Law*, Second Edition, which discusses current U.S. statutes, regulations, and case law and explores how they apply to international competition, regulation, and litigation.

Internet Law and Practice

INTERNET

Full text of *Internet Law and Practice* (formerly titled *Rules of the Road for the Information Superhighway: Electronic Communications and the Law*), which addresses the practical and conceptual ramifications of electronic communications and the legal issues involved. The treatise covers commercial transactions between users, including contract formation, content, and interpretation; public networks, including regulation, security, and liability; and e-mail in the workplace, including liability and First Amendment issues.

Law of Transnational Business Transactions

LTBT

Full text of the *Law of Transnational Business Transactions*, which provides a detailed overview of the key aspects of international business transactions. Some of the topics covered by the treatise include transnational contract law, international technology licensing, antitrust aspects of international business operations, international commercial arbitration, U.S. taxation of foreign investors, international capital markets and securities regulation, immunity of individuals under international law, and labor and employment law in the international context.

Legal Aspects of Selling and Buying

SELLBUY

Full text of *Legal Aspects of Selling and Buying*, Third Edition, which provides practical answers to the most frequently raised questions in antitrust, franchising, and distribution law, such as whether seller must sell to buyer; at what price seller may sell; whether seller may restrict what buyer buys and resells, where or to whom buyer resells, and the prices at which buyer resells; whether seller may cease selling to buyer; and whether the answers to these questions will be different under state antitrust laws or if seller is also competing with buyer or the seller-buyer relationship is a franchise.

<p>Marsh's Consumer Protection Law in a Nutshell</p> <p>Full text of <i>Consumer Protection Law in a Nutshell</i>, Third Edition, which explores the traditional areas in consumer protection and covers the state and federal laws dealing with electronic transactions. Topics covered include public and private actions to regulate consumer markets; methods of inducing consumer transactions; the consumer credit market; credit reports, identity theft, credit repair, and equal access to credit; disclosure of terms in consumer transactions; regulating the cost of credit; and regulating other terms in consumer transactions. Not available to law school subscribers.</p>	CONSMPROT-NS
<p>Materials on Antitrust Compliance, Second Edition</p> <p>Full text of <i>Materials on Antitrust Compliance</i>, Third Edition, which provides guidance on designing and planning an antitrust compliance program and structuring it to follow government rules.</p>	ATRCOMPL
<p>McManis' Intellectual Property and Unfair Competition in a Nutshell</p> <p>Full text of <i>Intellectual Property and Unfair Competition in a Nutshell</i>, Fifth Edition, which discusses interference with prospective and existing contractual relations; product, service, and business misidentification; appropriation of intangible business assets; and injurious promotional and pricing practices. Not available to law school subscribers.</p>	UNFRCOMP-NS
<p>Modern Licensing Law</p> <p>Full text of <i>Modern Licensing Law</i>, which deals with the law relating to the licensing of information and informational rights. Topics covered by the treatise include contract law and antitrust considerations in licensing, licensing in digital and online industries, financing intellectual property assets, and modern themes and directions in licensing law.</p>	MODLICENLAW
<p>PLI Antitrust Reference Books Multibase</p> <p>Text of reference books published by PLI that are related to antitrust and trade regulation, including <i>Advertising and Commercial Speech: A First Amendment Guide</i>.</p>	PLIREF-ATR
<p>Restatement of the Law—Unfair Competition</p> <p>Complete text of <i>Restatement of the Law Third—Unfair Competition</i>, which addresses methods of competition that improperly interfere with the legitimate commercial interests of other sellers in the marketplace. Analyzing the interplay of common law and statutory rules, the restatement covers the right to compete, deceptive marketing, the law of trademarks, and related concepts of intangible property and correlative rights.</p>	REST-UNCOM
<p>Rowley and Baker: International Mergers—The Antitrust Process</p> <p>Full text of <i>International Mergers—The Antitrust Process</i>, which provides information on and analysis of the rules and filing requirements pertaining to international mergers. The treatise includes information on 60 jurisdictions, including the United States, the United Kingdom, the European Union, and E.U. member states.</p>	RB-INTM
<p>Special Study for Corporate Counsel on Tying Arrangements</p> <p>Full text of the <i>Special Study for Corporate Counsel on Tying Arrangements</i>, which covers the legal rules relating to tying arrangements, including tying arrangements on the Internet and in e-commerce transactions. Subjects covered include the standard of analysis for tying arrangements; requirements for a per se tying violation of the antitrust laws, such as the two separate products requirement, the proof of conditioning requirement, the economic power requirement, and the economic interest requirement; and defenses to tying arrangements.</p>	CCTYARG
<p>Sullivan and Grimes' Hornbook on The Law of Antitrust: An Integrated Handbook</p> <p>Full text of <i>The Law of Antitrust: An Integrated Handbook</i>, Second Edition, which discusses the basic rules, principles, and issues relating to antitrust law, including monopolization, restraints, price predation, mergers, joint ventures, and enforcement. Not available to law school subscribers.</p>	ANTITRUST-HB
<p>United States Export Controls</p> <p>Full text of <i>United States Export Controls</i>, Fifth Edition, a guide to the regulations covering the export of a variety of technologies and products.</p>	USEXP

Legal Periodicals

Shidler Journal of Law, Commerce, and Technology	SHIDJLCT
Full-text articles from the <i>Shidler Journal of Law, Commerce, and Technology</i> , which is sponsored by the Shidler Center for Law, Commerce, and Technology at the University of Washington School of Law. The journal is aimed at corporate law practitioners and other business professionals interested in emerging issues arising with respect to technology and commerce. Full coverage begins with 2004.	
BNA Materials	
DATABASE	IDENTIFIER
BNA Antitrust and Trade Regulation Library (Multibase)	BNA-ATR
Reports and analyses about legislative, judicial, and administrative activities affecting antitrust and trade regulation. Includes summaries of current developments, digests of court and administrative agency decisions, and the full text of selected regulatory and legislative materials and important court rulings. Combines the BNA-ATRR and BNA-ATD databases. Coverage begins with January 1986. Not available to law school subscribers.	
BNA Antitrust and Trade Regulation Daily	BNA-ATD
Reports and analyses about legislative, judicial, and administrative activities that affect restrictive trade practices. Coverage begins with September 1988. Not available to law school subscribers.	
BNA Antitrust and Trade Regulation Report	BNA-ATRR
A weekly BNA publication containing reports and analyses about legislative, judicial, and administrative activities affecting restrictive trade practices, including important rulings on the enforcement of competition laws that include treble-damage litigation and injunctive suits. Coverage begins with January 1986. Not available to law school subscribers.	
BNA Corporate Practice Portfolios: Antitrust and Trade Regulation (Multibase)	BNACPS-ATR
Complete text of all BNA Corporate Practice portfolios available on Westlaw that are related to antitrust and trade regulation. Not available to law school subscribers.	

<p>BNA Corporate Practice Portfolios: Antitrust Aspects of Joint Ventures</p> <p>Text of BNA's Portfolio No. 66-2, which discusses the antitrust analysis of joint ventures. It provides an overview of the relevant antitrust statutes and enforcement guidelines; examines horizontal, vertical, and conglomerate joint ventures; discusses the adverse effects that may result from operating joint ventures; and examines the development and application of the ancillary-restraint doctrine. It also examines specific types of joint ventures, including joint buying arrangements, research and development joint ventures, production joint ventures, and various marketing joint ventures. Worksheets include the DOJ and FTC's <i>1992 Horizontal Merger Guidelines</i> with 1997 amendments to Section 4, <i>1996 Statements of Antitrust Enforcement Policy in Health Care</i>, and <i>2000 Antitrust Guidelines for Collaborations Among Competitors</i> and sample forms. Not available to law school subscribers.</p>	<p>BNACPS-JV</p>
<p>BNA Corporate Practice Portfolios: Antitrust Aspects of Mergers and Acquisitions</p> <p>Text of BNA's Portfolio No. 56-2, which discusses the antitrust analysis of mergers and acquisitions, particularly under section 7 of the Clayton Act, the primary federal antitrust statute relating to business consolidations. Topics covered include section 7's history and application, horizontal mergers, vertical mergers, premerger notification requirements, and the litigation and relief stages in merger enforcement. Worksheets include the DOJ and FTC's collaboration guidelines and merger guidelines, the NAAG merger guidelines, the NAAG's <i>Voluntary Premerger Disclosure Compact</i>, and a premerger notification and report form. Not available to law school subscribers.</p>	<p>BNACPS-AAM</p>
<p>BNA Corporate Practice Portfolios: Antitrust Guide for International Business Activities</p> <p>Text of BNA's Portfolio No. 35-3, which analyzes the antitrust and trade regulation laws of the United States, the European Union, Japan, Canada, and the principal nations of Western Europe as they apply to international marketing and distribution. It includes discussions of horizontal and vertical restraints; single-firm pricing policies, including price discrimination; and distribution restraints, such as exclusive selling and buying arrangements, tying arrangements, selective distribution, refusals to sell, and licensing agreements. Worksheets include business review procedures; guidelines issued by the FTC and DOJ; and various statutes, treaties, administrative materials, and forms relevant to each of the foreign entities discussed. Not available to law school subscribers.</p>	<p>BNACPS-AGI</p>
<p>BNA Corporate Practice Portfolios: Foreign Unfair Competition: Practice and Procedure</p> <p>Text of BNA's Portfolio No. 28-4, which identifies unfair trade practices and statutory remedies that address those practices. Topics covered include GATT, NAFTA, the countervailing duty (CVD) and antidumping (AD) provisions of the Tariff Act of 1930, and the retaliatory action section of the Trade Act of 1974. Worksheets include a list of relevant Internet sites, time lines and deadlines for CVD and AD proceedings, and administrative materials to assist practitioners in such proceedings. Not available to law school subscribers.</p>	<p>BNACPS-FOR</p>
<p>BNA Corporate Practice Portfolios: Franchising: Regulation of Buying and Selling a Franchise</p> <p>Text of BNA's Portfolio No. 34-2, which examines state and federal regulation of the sale of franchises. Worksheets include checklists for determining whether or not state franchise definitions are satisfied, forms for state registration of the offer and sale of franchises, and a directory of agencies concerned with the regulation of buying and selling a franchise. Not available to law school subscribers.</p>	<p>BNACPS-FRA</p>
<p>BNA Corporate Practice Portfolios: Living with the Robinson-Patman Act</p> <p>Text of BNA's Portfolio No. 76, which discusses the antitrust analysis applied to price discrimination, brokerage payments, and discriminatory promotional payments and services involving both sellers and buyers under the Robinson-Patman Act, the principal federal antitrust statute governing such practices. Worksheets include agency guidelines, the DOJ's <i>Report on the Robinson-Patman Act</i>, and samples of letters and verification forms used to memorialize offers made to customers to meet competitive offers. Not available to law school subscribers.</p>	<p>BNACPS-RPA</p>

<p>BNA Corporate Practice Portfolios: Manual of Federal Trade Commission Practice</p> <p>Text of BNA's Portfolio No. 21-4, which examines the practices and procedures employed by the FTC in administering the Federal Trade Commissions Act. Topics covered include the structure of the FTC, a description of FTC functions, the rulemaking process, unfair competition, and the premerger Hart-Scott-Rodino process. Worksheets include the FTC's introductory guides to the Premerger Notification Program; guidelines issued by the FTC and DOJ; and samples of a subpoena, motions, complaints, and orders. Not available to law school subscribers.</p>	<p>BNACPS-FTC</p>
<p>BNA Corporate Practice Portfolios: State Antitrust Law</p> <p>Text of BNA's Portfolio No. 52-2, which summarizes the antitrust laws of the states and territories of the United States. Topics covered include federal constitutional constraints, basic theories of antitrust liability, and antitrust immunities. Worksheets include representative materials from state court litigation. Not available to law school subscribers.</p>	<p>BNACPS-AL</p>
<p>BNA Corporate Practice Portfolios: Trade Associations and the Antitrust Laws</p> <p>Text of BNA's Portfolio No. 32-2, which summarizes the Sherman, Clayton, and FTC acts as they apply to trade associations and analyzes those aspects of antitrust law most likely to be applied to trade association activity. Topics covered include price-fixing, statistical reporting programs, membership restrictions, codes of ethics, certification programs, lobbying, and group buying. Worksheets include DOJ guidelines on joint research projects and samples of an antitrust guide for association members. Not available to law school subscribers.</p>	<p>BNACPS-TRA</p>
<p>BNA Corporate Practice Portfolios: Tying Arrangements: Practice Under Federal Antitrust, Patent, and Banking Law</p> <p>Text of BNA's Portfolio No. 39-2, which explains the requirements necessary to prove that an illegal tie exists and sets out the defenses that may justify a tie in particular situations under section 1 of the Sherman Act and section 3 of the Clayton Act. Worksheets include comprehensive and detailed charts chronicling the progression of tying case law. Not available to law school subscribers.</p>	<p>BNACPS-TY</p>
<p>BNA Corporate Practice Portfolios: U.S. International Antitrust Enforcement: A Practical Guide to the Agencies' 1995 Guidelines</p> <p>Text of BNA's Portfolio No. 53-2, which discusses the <i>Antitrust Enforcement Guidelines for International Operations</i>, published jointly by the DOJ's Antitrust Division and the FTC in April 1995. It includes an overview of the agencies' enforcement policy on various practices, e.g., monopolization, and the concerns of foreign governments over enforcement of U.S. antitrust law. Worksheets include antitrust-related documents from other U.S. government agencies and various foreign statutes and international agreements. Not available to law school subscribers.</p>	<p>BNACPS-IAE</p>
<p>BNA Daily Report for Executives</p> <p>Text from <i>BNA's Daily Report for Executives</i>, which reports on and analyzes legislative, judicial, and administrative activities that affect decision making and planning in business, including analyses of economics, energy, and environmental developments; federal appropriations and the budget; government contracts and grants; securities regulation; and tax developments. Includes summaries of current developments, digests of court and administrative agency decisions, and the full text of proposed and final legislation and government regulations. Coverage begins with January 1986. Not available to law school subscribers.</p>	<p>BNA-DER</p>
<p>BNA Health Law and Business Portfolios: Federal Anti-Kickback Law</p> <p>Text of BNA's Portfolio No. 1500, which examines the federal anti-kickback statute that prohibits payments as inducement for referrals of Medicare or Medicaid beneficiaries, including the statute's goals and terms, its regulatory exceptions, and its interpretation by regulators and the courts. Potential anti-kickback problems in specific types of health care business arrangements are emphasized throughout the portfolio. Not available to law school subscribers.</p>	<p>BNHLB-FAK</p>

BNA Health Law and Business Portfolios: Health Care Mergers and Acquisitions: The Antitrust Perspective	BNAHLB-MAC
--	-------------------

Text of BNA's Portfolio No. 1400, which explores the theoretical and practical issues relevant to the antitrust evaluation of health care mergers. The portfolio deals both with hospital mergers and with combinations of other types of health care entities and addresses both substantive legal issues and matters of procedure. Particular attention is paid to enforcement positions that have been taken by federal and state antitrust officials and how these positions have fared in court. Not available to law school subscribers.

BNA Health Law and Business Portfolios: Health Care Networks and Managed Care: Antitrust Aspects of Integration and Exclusion	BNAHLB-NET
--	-------------------

Text of BNA's Portfolio No. 2500, which sets forth the substantive antitrust laws and principles that health care providers must consider, particularly in an era in which managed care is driving providers to integrate, contain costs, and become more efficient. The portfolio emphasizes the application of antitrust laws and principles to specific practices that are central to health care network formation and operation in the managed care environment. Not available to law school subscribers.
