

Company Information Databases

Westlaw® Database List

Westlaw offers an extensive collection of company information databases that cover public, private, and nonprofit companies in the United States and around the world. Company information on Westlaw include company profiles, business directories, Securities and Exchange Commission (SEC) filings, business registration records, and investment analyst reports. These resources can provide you with details about officers, executives, and registered agents; corporate affiliations; insider stock transactions; products and brands; bankruptcy and litigation history; assets, debts, and corporate finances; intellectual property; and emerging company and industry developments.

This database list contains descriptions of many, though not all, company information databases on Westlaw. For descriptions of databases pertaining to related topics, see *Business Law Databases*, *Commercial Law and Contracts Databases*, *Finance and Banking Databases*, *Intellectual Property Databases*, *Securities Law Databases*, or the online Westlaw Directory.

Directories, Business Finders, and Registration Records

Database	Identifier

*This Dialog on Westlaw database may contain phrase-indexed fields. In a phrase-indexed field, you must search for terms exactly as they appear in a document, including punctuation and spacing.

Private Company Legal Due Diligence Reports GSI-DDR-PRIV

Professionally formatted reports compiling key corporate, financial, management, and other information on the top U.S. private companies based on total sales. Reports may include a company overview; financials; and information on officers and directors, commercial transactions, litigation and risk factors, and advisory relationships. Not available to law school subscribers.

Standard & Poor's Corporate Descriptions Plus News* S&P-CORPDE

Basic company profiles and in-depth strategic and financial information on publicly held U.S. corporations.

Thomas Register Online* TRO

Product information for U.S. and Canadian manufacturers classified under more than 53,000 product classes.

Worldscope Company Reports WORLDSCOPE

Standardized financial statement data, calculated ratios, monthly market price data, per share data, security and market data, product and geographic segment data, and textual profile data on approximately 32,000 active public companies worldwide. Not available to law school subscribers.

Key Individuals

Database Identifier

D&B Executive Biography Records EXEC-BIOS

Biographical records of U.S. executives, including the executive's name and the company's name. The records may also include information such as the company's address and telephone number, the company's D-U-N-S number, the executive's title and management responsibilities, and his or her educational and work history. Not available to law school subscribers.

Executive Affiliation Records EA-ALL

Information on millions of companies and executives worldwide, including the executive's name and title and the company's name and address. Records may also contain the business phone number, related business names, registered agent's name and address, primary SIC code, franchise information, D-U-N-S number, business identification number, and population of the area where the company conducts business.

Standard & Poor's Register—Biographical* S&P-BIO

Personal and professional data on key executives affiliated with U.S. and non-U.S. companies with sales of \$1 million or more.

West Legal Directory—Corporate Counsel WLD-CORPCO

Profiles of corporate law offices and biographical records of corporate counsel in any of the 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands.

West Legal Directory—Corporations and Business Organizations WLD-BUS

Profiles of law firms and branch offices and biographical records of attorneys who practice corporations and business organizations law in any of the 50 states, the District of Columbia, Puerto Rico, the Virgin Islands, and Canada.

Company Assets and Financial Information

Database Identifier

Brands and Their Companies* BRANDS

Worldwide directory of consumer brand names and their owners or distributors.

*This Dialog on Westlaw database may contain phrase-indexed fields. In a phrase-indexed field, you must search for terms exactly as they appear in a document, including punctuation and spacing.

Disclosure® Database*

DISCLOSURE

Business and financial information on approximately 12,000 public companies derived from reports filed with the SEC (10-Ks, 20-Fs, 10-Qs, 8-Ks, proxy statements, registration statements, and annual reports). Financial information includes annual and quarterly balance sheets, income and cash flow statements, annual financial ratios, and weekly price-earnings information. Business information includes the full text of the management discussion, the president's letter to shareholders, footnotes to financials, officers, directors, subsidiaries, and exhibits. The database also contains information on each company, including the address, telephone number, Fortune and Forbes numbers, SIC codes, auditor, stock transfer agent, and legal counsel. Coverage includes current data and up to 10 years of historical financial data.

D&B Business Records Plus (All)

DUNBR

D&B Business Records Plus–U.S.

DUNBR-US

D&B Business Records Plus–Individual States

DUNBR-XX

Information on the history, day-to-day operations, finances, and corporate affiliations of more than 70 million companies throughout the world. D&B Business Records Plus offers a variety of business reports, from a brief overview (Business Abstract) to a description of the company's history and operations (Business Information Report) to an analytical review of the company's history, operations, and financial standing (Comprehensive Report). Information from U.S. companies only is found in DUNBR-US, and information from individual states is found in databases with the identifier DUNBR-XX, where XX is a state's two-letter postal abbreviation. Not available to law school subscribers.

Experian Business Credit Profiles*

BCP

Credit profiles of public and private U.S. companies, including payment history, bankruptcies, tax liens, judgments and UCC filings, and banking relationships, as well as key facts such as SIC codes and sales figures. Full audited financial statements are available for publicly held companies.

Experian Smart Business Reports

EXPERIAN-REPORTS

Business reports on approximately 18 million U.S. businesses. The reports are of four types: the Experian Limited Report, which contains key facts, corporate registration, credit summary, banking/insurance/leasing information, payment summary, and collections summary; the Experian CreditScore Report, which contains the same information in the Limited Report, along with information on judgments, tax liens, bankruptcies, credit ranking score, and collections detail; the Experian Profile Report, which contains the same information in the CreditScore Report, along with payment detail, inquiries, and UCC summary; and the Experian ProfilePlus Report, which contains all of the above information, along with UCC detail. All reports are provided in PDF. Not available to law school subscribers.

Extel Card Company Reports

EXTELCARD

Data on approximately 15,000 global equities in more than 60 developed and emerging countries and 40 industries. Coverage includes current data and up to 15 years of historical data. Not available to law school subscribers.

Extel International Financial Cards*

EIFC

Comprehensive financial, textual, and background information on large international companies. Coverage includes current data and up to five years of historical information.

Market Guide Company Financials*

MKTGUIDE

Detailed financial information on more than 12,000 U.S. public companies, derived from reports filed with the SEC. This information includes annual and quarterly balance sheets and income statements, annual financial ratios, cash flow statements, and statements of earnings. The database also contains a narrative description of business for each company and basic information such as company name, address, and telephone and fax numbers. Names of company officers are included as well. Coverage includes current information and up to 12 years of historical data.

*This Dialog on Westlaw database may contain phrase-indexed fields. In a phrase-indexed field, you must search for terms exactly as they appear in a document, including punctuation and spacing.

Mergent Company Snapshots*

MERGENT-SS

Descriptive and financial information on public companies listed on the New York Stock Exchange (NYSE) and the American Stock Exchange (AMEX), National Market System companies traded within Nasdaq, and companies traded on the Nasdaq small-cap exchange, as well as selected companies traded on regional exchanges, the Over-the-Counter Bulletin Board system, and Pink Sheets. The data includes concise narrative descriptions of a company plus three-year financial histories compiled from 10-Ks, 10-Qs, annual reports, quarterly reports, news releases, prospectuses, and stock exchange bulletins.

Mergers and Acquisitions–Deal Information

M&A-DEAL

Information, including descriptive data on target and acquirer companies and terms of the transaction, on approximately 182,000 U.S. mergers and acquisitions from 1977 to present and 292,000 international mergers and acquisitions from 1985 to present. Both public and private transactions are covered. Not available to law school subscribers.

SDC's Joint Ventures and Alliances*

SDC-JVA

Records of joint ventures and other business alliances such as strategic alliances, sales and marketing arrangements, and licensing and distribution pacts. A typical record includes the name of the joint venture or the names of the companies participating in the alliance, the type of alliance, the status of the alliance, a brief summary describing the alliance, and any financial information that has been disclosed. Coverage begins with 1990.

Litigation History

Database

Identifier

Combined Jury Verdicts and Settlements

JV-ALL

Individual State Jury Verdicts All

XX-JV-ALL

Summaries of jury verdicts, judgments, settlements, and arbitration awards from around the country. This database combines summaries supplied by ALM Properties, Florida Legal Periodicals, JAS Publications, Jury Verdicts Northwest, Jury Verdicts Review Publications, LRP Publications, Trials Digest Publishing, West, and other publishers. Coverage varies by source. Combined summaries for individual states (FL, IL, KS, MO, NJ, NM, NY, OH, PA, and TX) are also found in databases with the identifier XX-JV-ALL, where XX is a state's two-letter postal abbreviation. Combined summaries for California are found in CA-JV-COMB. JV-ALL is not available to law school subscribers.

Lawsuit Filings–Combined

LS-ALL

Lawsuit Filings–Individual State

LS-XX

Civil lawsuit records from 45 states (AK, AL, AR, AZ, CA, CT, DE, FL, GA, HI, IA, ID, IL, IN, KS, KY, LA, MA, MD, ME, MI, MN, MO, MS, MT, NC, NH, NJ, NM, NV, NY, OH, OK, OR, PA, RI, SC, SD, TN, TX, UT, VA, WA, WI, and WV) plus the District of Columbia and Puerto Rico. Conduct lawsuit searches in circuit, district, small claims, chancery, municipal, state, and superior courts for information including names of defendant and plaintiff, case number, filing date, and type of case. Information such as defendant's address, case status, judge's name, and attorney information also may be included. Coverage varies by court. Lawsuit records from individual jurisdictions are found in databases with the identifier LS-XX, where XX is a jurisdiction's two-letter postal abbreviation.

UCC, Lien, and Civil Judgment Records–Combined

ULJ-ALL

UCC, Lien, and Civil Judgment Records–Individual State

ULJ-XX

UCC filings, liens, and civil judgments relating to businesses and individuals from all 50 states and the District of Columbia. Filings for these jurisdictions are also found in databases with the identifier ULJ-XX, where XX is a jurisdiction's two-letter postal abbreviation.

Dockets

Electronic court docket information for cases in U.S. district courts and U.S. bankruptcy courts in all 50 states and the District of Columbia, as well as for civil cases from selected state and county courts. See the online Westlaw Directory for a list of available courts and database identifiers.

*This Dialog on Westlaw database may contain phrase-indexed fields. In a phrase-indexed field, you must search for terms exactly as they appear in a document, including punctuation and spacing.

Securities and Stock Information

Database	Identifier
Disclosure/Spectrum Ownership* Details of the common stock holdings of major institutions, corporate insiders, and 5 percent beneficial owners for more than 6,000 U.S. companies.	DS-OWN
EDGAR–SEC Filings Annual reports, proxy statements, 10-K and 10-Q reports, and other documents filed with the SEC via the Electronic Data Gathering, Analysis, and Retrieval (EDGAR) system. Full-text EDGAR filings are available beginning with April 1993; records of other filings are available beginning with 1968.	EDGAR
Insider Stock Transactions Current information on stock transactions and holdings of shareholders owning at least 10 percent of stock in public companies and the directors and executive officers of those companies. Also includes notices of proposed sales of restricted securities.	STOCK
Insider Trading Monitor* Information on all securities transactions by company officers, directors, and major shareholders filed with the SEC. Coverage begins with 1984.	ITM
Media General Plus* Timely, detailed financial and stock price information on public companies that trade on the major U.S. stock exchanges. Coverage includes the most recent five years.	MEDIA-GEN
Poison Pill Reports Information on all poison pill shareholder rights plans in the United States and Canada that have been adopted since the invention of this defensive tactic and amendments to those plans. The information includes flip-in and other trigger thresholds, trigger exceptions, exercise to market price comparisons, pill status, and financial and legal advisers.	POISONPILL
SDC's Initial Public Offerings* Information from Thomson Financial Securities Data on U.S. companies issuing public stock and equity for the first time, along with quantitative details about the issues. Information is derived from public news sources and investment banks. Coverage begins with 1980.	SDC-IPO
SDC Worldwide Mergers and Acquisitions* Information on all announced, completed, or pending mergers and acquisitions worldwide that involve a change in ownership of at least 5 percent. Coverage begins with 1981 for U.S. data and with 1985 for non-U.S. data.	SDC-M&A
Securities and Exchange Commission Corporate Filings Annual reports, proxy statements, 10-Ks, and 10-Qs filed nonelectronically with the SEC by public companies listed on the NYSE and AMEX and by more than 2,000 National Market System companies traded within Nasdaq. Coverage begins with January 1987.	SEC-ONLINE

Investment Analysts and Market Research Reports

Database	Identifier
Corporate Governance Reports Corporate governance information derived from reports from Institutional Shareholder Services (ISS) and other investment analysts that review recent performance by a company and evaluate the quality of a corporation's board according to the ISS corporate governance quotient (CGQ). A company's CGQ is designed to help investors compare the corporate governance structures in place at those U.S. companies regularly filing with the SEC. In addition, reports often recommend a vote regarding a proxy issue or make a buy-sell recommendation. Reports are available in PDF. Coverage begins with January 1997. Not available to law school subscribers.	CORPGOV
Datamonitor* Coverage of consumer sectors in nearly 60 countries, mainly in Europe, North America, Latin America, and the Asia-Pacific region. Coverage begins with June 1992.	DATAMON

*This Dialog on Westlaw database may contain phrase-indexed fields. In a phrase-indexed field, you must search for terms exactly as they appear in a document, including punctuation and spacing.

Dialog Investment Research Index*	INVEST
An index to investment research reports written by expert analysts. These reports are usually distributed initially only to brokerage houses but are added to this database as soon as they become available to the public. Coverage begins with 1995.	
Dorland's Medical and Healthcare Marketplace Guide: Reports	MHMG-REP
Information on trends, developments, scientific advancements, and company activities in every segment of the medical and health care industry, including the pharmaceutical, medical device, and biotechnology sectors. Not available to law school subscribers.	
Euromonitor Strategy–Market Research*	EUROMON-MR
The full text of market analysis reports on consumer goods and services in the world's major markets. Reports are drawn from the Strategy 2000 series, which focuses on the large, branded consumer goods sectors around the world, and from a new series titled Global Market Focus, which provides issue-based analysis of noncore consumer markets around the world. Coverage begins with 1999.	
Frost & Sullivan Market Engineering*	FS-ME
In-depth analyses and forecasts of market trends in 11 industries. Each industry-specific report contains five-year forecasts of market size by product category and end-user application. Marketing and distribution strategies are discussed, and assessments of the competitive and legislative environment are also provided. Coverage begins with 1998.	
IBISWorld Market Research Database*	IBIS-MR
Full text of industry analyst reports that provide detailed information on the structure and performance of and outlook for industries in Australia, Indonesia, Taiwan, and the United States. Each report includes a definition, key statistics, market characteristics, industry segmentation, industry conditions, performance, industry participants, key factors, and industry outlook. Coverage begins with 1999.	
Institutional Shareholder Services Reports	ISS
Reports from ISS that analyze proxy issues and make voting recommendations for annual shareholder meetings. ISS reports include performance summaries, analysis of proposed merger agreements, and corporate governance profiles that evaluate the quality of corporate boards and the effect their governance practices may have on performance. Reports are available in PDF. Coverage begins with January 1997. Not available to law school subscribers.	
Investext®*	INVESTEXT-DIALOG
Full-text reports providing company, industry, product, and regional business analyses from investment banks, brokerage houses, and research firms worldwide. Coverage begins with July 1982.	
Investext	INVESTEXT-FT
Full-text research reports written by investment specialists from leading brokerage, investment banking, and financial research firms worldwide, covering more than 14,000 U.S. and international companies and 53 industries. Coverage is from January 1996 to March 2007. Not available to law school subscribers.	
Investext Current PDF Reports	INVESTEXT-CURRNT
The three most recent Investext research reports for a company or industry, written by investment specialists from more than 600 investment banks, brokerage houses, and research firms worldwide, including Morgan Stanley Dean Witter, Merrill Lynch, Credit Suisse First Boston, Salomon Smith Barney, Robertson Stephens, and Lehman Brothers. More than 46,000 U.S. and international companies and 53 industries are covered. Reports are available in PDF. Not available to law school subscribers.	
Investext PDF	INVESTEXT-PDF
Full-text Investext research reports written by investment specialists from leading brokerage houses, investment banks, and financial research firms worldwide, covering more than 46,000 U.S. and international companies and 53 industries. Reports are available in PDF. Coverage begins with January 1997. Not available to law school subscribers.	

*This Dialog on Westlaw database may contain phrase-indexed fields. In a phrase-indexed field, you must search for terms exactly as they appear in a document, including punctuation and spacing.

Market Share

MARKETSHARE

Market-share information derived from Investext analyst reports gauging the percentage of total sales of a given product that are attributable to a given company. Company-specific data may also indicate the relative market share of a company within a larger industry group. Reports are available in PDF. Data is presented in textual, tabular, and graphical format. Coverage begins with January 1997. Not available to law school subscribers.

Company and Industry News

Database	Identifier
ABI/INFORM* Bibliographic records and summaries of articles appearing in business and management periodicals worldwide that cover a wide range of business aspects, including company histories, competitive intelligence, and new product development.
