

# Family Law Databases

Current through October 15, 2008

Westlaw provides family law practitioners with a comprehensive collection of databases that relate to family law. State and federal case law, statutes, and regulatory databases cover marriage, divorce, adoption, custody, juvenile delinquency, and rights of family members.

In addition, general and state-specific legal texts and periodicals on Westlaw provide practitioners with expert commentary and practice tips. News databases on Westlaw cover family law issues, as well.

This database list contains descriptions of family law databases on Westlaw. For descriptions of databases pertaining to related topics, see *Bankruptcy Practitioner Databases*, *Elder Law Databases*, *Estate Planning and Probate Databases*, *Immigration Law Databases*, or the online Westlaw Directory.
