

Health Law Databases

Current through September 14, 2007

Health law databases contain documents that relate to the provision of wellness services and regulation of health care institutions. Among the subjects included are health insurance, medical research, Medicaid and Medicare, and the regulation of cosmetics, drugs, and food. For descriptions of databases pertaining to related topics, see *Medical Litigator® Databases*, *Medical Malpractice Databases*, or the online Westlaw Directory.

Federal Case Law

DATABASE	IDENTIFIER
Federal Health Law–Cases Cases from the U.S. Supreme Court, courts of appeals, district courts, bankruptcy courts, Court of Federal Claims, Tax Court, military courts, and related federal and territorial courts that relate to the provision of wellness services and the regulation of health care institutions. Coverage begins with 1789.	FHTH-CS
Federal Health Law–Supreme Court Cases Cases from the U.S. Supreme Court that relate to the provision of wellness services and the regulation of health care institutions. Coverage begins with 1790.	FHTH-SCT
Federal Health Law–Courts of Appeals Cases Cases from the federal appellate courts that relate to the provision of wellness services and the regulation of health care institutions. Coverage begins with 1891.	FHTH-CTA
Federal Health Law–District Courts Cases Cases from the primary federal courts of original jurisdiction that relate to the provision of wellness services and the regulation of health care institutions. Coverage begins with 1789.	FHTH-DCT

Federal Statutes and Administrative Materials

DATABASE	IDENTIFIER
Federal Health Law–U.S. Code Annotated Documents from the <i>United States Code Annotated®</i> that relate to the provision of wellness services and regulation of health care institutions.	FHTH-USCA
Federal Health Law–Code of Federal Regulations Documents from the <i>Code of Federal Regulations</i> that relate to the provision of wellness services and regulation of health care institutions.	FHTH-CFR
Federal Health Law–Federal Register Documents from the <i>Federal Register</i> that relate to the provision of wellness services and regulation of health care institutions. Coverage begins with January 1981.	FHTH-FR

FDA Adverse Event Reporting System	FHTH-AERS
Documents from the Food and Drug Administration's (FDA's) Adverse Event Reporting System, which contains reports of adverse events involving drugs and therapeutic biologic products. Coverage begins with January 2004.	
FDA Manufacturer, User Facility, and Distributor Experience	FHTH-MAUDE
Data from the FDA's Manufacturer and User Facility Device Experience (MAUDE) database concerning adverse events involving medical devices. Coverage begins with June 1993 for all voluntary reports, with 1991 for user facility reports, with 1993 for distributor reports, and with August 1996 for manufacturer reports.	
FDA MedWatch Recalls and Related Documents	FHTH-MEDWATCH
Recall information from the FDA for biologics, drugs, and medical devices along with related documents such as label information, patient information, notice letters with attachments, health care professional letters, and news releases. Coverage begins with 1996.	
Federal Health Law—FDA Enforcement Report	FHTH-FDA
Documents from <i>FDA Enforcement Report</i> , a weekly publication of the FDA that reports on regulatory activities of the FDA, including prosecutions, seizures, injunctions, and voluntarily conducted safety alerts and recalls. Products covered include food, cosmetics, drugs, medical devices, and veterinary products. Coverage begins with May 1984.	
Federal Health Law—FDA Multibase	FHTH-FEDFDA
All documents from the following databases: FHTH-FDA, FHTH-AERS, FHTH-MAUDE, and FHTH-MEDWATCH. Coverage varies by source.	
Federal Health Law—Food and Drug Administration (FDA) Guidance Documents	FHTH-FDAGD
Documents from the various centers and offices of the FDA that advise industry and FDA staff regarding the agency's current treatment of or position on a particular issue within its regulatory powers. Coverage begins with 1971.	
Federal Health Law—Food and Drug Administration (FDA) Guides and Manuals	FHTH-FDAGM
Guides and manuals published by the FDA, including the <i>Compliance Policy Guides Manual</i> , <i>Investigations Operations Manual</i> , <i>Regulatory Procedures Manual</i> , <i>Bacteriological Analytical Manual Online</i> , <i>Guide to International Inspections and Travel</i> , <i>Guide to Inspections of Quality Systems</i> , <i>Medical Device Quality Systems Manual: A Small Entity Compliance Guide</i> , and <i>Redbook 2000</i> .	
Federal Health Law—Health and Human Services Decisions	FHTH-HHS
Decisions released by the Department of Health and Human Services, including decisions by the Civil Remedies Division, the Appellate Division, and the Quality Control Review Panel. Coverage begins with March 1974.	
Federal Health Law—Health Care Financing Administration Rulings	FHTH-HCFA
Rulings released by the Health Care Financing Administration (HCFA) relating to Medicare, Medicaid, utilization and quality control peer review, and related matters. Coverage begins with 1990.	
Federal Health Law—Provider Reimbursement Review Board Hearing and Appeals Decisions	FHTH-PRRB
Decisions released by the Provider Reimbursement Review Board (PRRB) and the HCFA. Coverage of PRRB decisions begins with 1994; coverage of HCFA decisions begins with 1996.	
Medicare Manuals CMS (Centers for Medicare and Medicaid Services)	FHTH-CMSMAN
Manuals and guidebooks issued by the Centers for Medicare and Medicaid Services (CMS) that are used by CMS program components, contractors, and state agencies to administer Medicare programs. They consist of instructions for day-to-day operation of programs, policies, and procedures based on statutes and regulations, guidelines, models, and directives.	
Medicare Prescription Drug, Improvement, and Modernization Act of 2003 Legislative History	MEDPRES-LH
Comprehensive legislative history of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003, Pub. L. No. 108-173, compiled by Arnold & Porter, including the text of bills, committee reports, transcripts of hearings, and other documents.	

United States Department of Agriculture Decisions	USDA
Decisions released by the U.S. Department of Agriculture (USDA). Coverage begins with 1977.	

State Materials

DATABASE	IDENTIFIER
Multistate Health Law Cases Individual State Health Law Cases Cases from the state courts of all 50 states and the District of Columbia that relate to the provision of wellness services and regulation of health care institutions. Coverage varies by state. Individual state cases are found in databases with the identifier XXHTH-CS, where XX is a state's two-letter postal abbreviation.	MHTH-CS XXHTH-CS
Multistate Medical Board Administrative Decisions Individual State Medical Board Administrative Decisions Decisions issued by the medical boards in the following states: Arizona, New York, Vermont, Virginia, and Wisconsin. Coverage varies by state. Individual state decisions are found in databases with the identifier XXMB-ADMIN, where XX is a state's two-letter postal abbreviation.	MBADMIN-ALL XXMB-ADMIN
HPTS Legislation to Watch Information on the latest state legislation relating to access to health insurance, health care providers and facilities, health insurance oversight, long-term care, Medicaid, mental illness and addiction, pharmaceuticals, and public health. Coverage begins with July 2005.	HPTSLTW

ENFLEX® State Environmental and Health and Safety Regulations Individual State Environmental and Health and Safety Regulations Environmental and health and safety regulations currently available in the ENFLEX databases for each of the 50 states, the District of Columbia, and Puerto Rico. The databases include the exclusive "RegChange" feature, which shows any changes to the text of the regulations. Regulations from individual jurisdictions are found in databases with the identifier ENFLEX-XX, where XX is a jurisdiction's two-letter postal abbreviation.	ENFLEX-STATE ENFLEX-XX
New Jersey Medicaid Chapters 53A (Hospice Services Manual) and 71 (Medicaid Only) from title 10 (Department of Human Services) of the <i>New Jersey Administrative Code</i> .	NJ-MEDICAID
New York Department of Health Administrative Review Board Decisions issued by the New York Department of Health Administrative Review Board, which reviews Board for Professional Medical Conduct determinations concerning patient allegations of professional misconduct. Coverage begins with 1990.	NYDOH-ARB
New York Department of Health Updates Full text of documents from <i>Medicaid Update</i> , a monthly publication from the New York State Department of Health, Office of Medicaid Management. Coverage begins with January 1999.	NY-DOHUPDATE
New York Medicaid All documents from the New York Medicaid Reference Guide (NY-MRG) and the New York Department of Health Updates (NY-DOHUPDATE) databases.	NY-MEDICAID

New York Medicaid Reference Guide	NY-MRG
Text of the <i>Medicaid Reference Guide</i> published by the New York State Department of Health to help in determining Medicaid eligibility. The guide is divided into four sections: Categorical Factors, Income, Resources, and Other Eligibility Requirements. It also includes a glossary.	
Ohio Medicaid	OH-MEDICAID
Selected portions of the <i>Ohio Medicaid Eligibility Manual</i> , including transmittal letters, procedure letters, action change transmittals, Medicaid information letters, forms, and desk aids, as well as the sections of the <i>Ohio Administrative Code</i> that make up the manual.	
Virginia Medicaid	VA-MEDICAID
All documents from the Virginia Medicaid Handbook (VA-MCAIDHBK), Virginia Medicaid Manual (VA-MCAIDMAN), and Virginia Transmittal Letters (VA-MCAIDTML) databases.	
Virginia Medicaid Handbook	VA-MCAIDHBK
Text of the <i>Virginia Medicaid and FAMIS-Plus Handbook</i> published by the Virginia Department of Medical Assistance Services.	
Virginia Medicaid Manual	VA-MCAIDMAN
Text of the <i>Virginia Medicaid Policy Manual</i> published by the Virginia Department of Social Services.	
Virginia Transmittal Letters	VA-MCAIDTML
Transmittal letters from the Virginia Department of Social Services, which give notice and explanations of changes to the <i>Medicaid Policy Manual</i> . Coverage begins with March 2003.	
Uniform Laws Annotated	ULA
Complete set of uniform or model acts, codes, and rules as set forth in <i>Uniform Laws Annotated</i> [®] . Coverage is current. Acts related to health care include the following: Uniform Alcoholism and Intoxication Treatment Act Uniform Anatomical Gift Act (1968, 1987, and 2006 Acts) Uniform Controlled Substances Act (1970, 1990, and 1994 Acts) Uniform Determination of Death Act Uniform Drug Dependence Treatment and Rehabilitation Act Uniform Duties to Disabled Persons Act Uniform Emergency Volunteer Health Practitioner's Act Uniform Health-Care Decisions Act Uniform Narcotic Drug Act Uniform Rights of the Terminally Ill Act (1985 and 1989 Acts)	

Federal and State Materials Combined

DATABASE	IDENTIFIER
Andrews Litigation Reporter Court Documents	
Court documents that are cited in various Andrews litigation reporters, including petitions, complaints, briefs, motions, and memoranda. Coverage begins with 2000.	
Andrews Disability Litigation Reporter Court Documents	ANDISLR-DOC
Andrews Drug Recall Litigation Reporter Court Documents	ANDRLR-DOC
Andrews Expert and Scientific Evidence Litigation Reporter Court Documents	ANESELR-DOC
Andrews Health Care Fraud Litigation Reporter Court Documents	ANHCFLR-DOC
Andrews Health Law Litigation Reporter Court Documents	ANHLLR-DOC
Andrews Infectious Disease Litigation Reporter Court Documents	ANIDLR-DOC
Andrews Medical Devices Litigation Reporter Court Documents	ANMDLR-DOC
Andrews Nursing Home Litigation Reporter Court Documents	ANNHLTGR-DOC
Andrews Pharmaceutical Litigation Reporter Court Documents	ANPHARLR-DOC
Andrews Privacy Litigation Reporter Court Documents	ANPRIVLR-DOC

Daubert Materials	DAUBERT-DOCS
Selected expert testimony, appellate briefs, trial court memoranda, motions, pleadings, and other trial filings that cite <i>Daubert v. Merrell Dow Pharmaceuticals, Inc.</i> , 113 S. Ct. 2786 (1993), or are related to the admissibility of expert testimony or Daubert-Frye challenges from the state and federal courts. Coverage begins with 1990.	
ENFLEX Alert Archive	ENFLEX-ALERT
A current-awareness tool providing descriptions of proposed and final federal and state regulations and notices relating to environmental and health and safety issues. It also provides descriptions of new or amended international laws and regulations relating to environmental and health and safety issues from Brazil, Canada, the European Union, France, Italy, Mexico, Spain, and the United Kingdom.	
Health Trial Motions	HTH-MOTIONS
Motions and memoranda filed in health law cases in state and federal courts. Coverage begins with 1997.	
Health Trial Pleadings	HTH-PLEADINGS
Pleadings, complaints, and answers filed in health law cases in state and federal courts. Coverage begins with 1997.	
National Disability Law Reporter	NDLRPTR
A full-text reporting service concerning the legal rights of persons with disabilities. Includes federal and state court decisions and federal administrative rulings addressing accessibility, guardianship, housing, employment, commitment, and health care issues. Coverage begins with January 1990.	

Directories

DATABASE	IDENTIFIER
ECRI Healthcare Standards Directory	ECRI-HCSD
A directory that contains references to health care standards, practice guidelines, and policy statements issued by public and private organizations and to federal and state health care-related laws and regulations. Not available to law school subscribers.	
ECRI Health Devices International Sourcebase	ECRI-SRCEBASE
Planning and purchasing guide to medical equipment and suppliers, which includes information on what companies produce or service specific types of products. It also provides contact information for medical device companies. Not available to law school subscribers.	
West Legal Directory–Health	WLD-HTH
Profiles of law firms and branch offices and biographical records of attorneys who practice health law in any of the 50 states, the District of Columbia, Puerto Rico, the Virgin Islands, and Canada.	
West’s® National Physician Directory	PHYSICIAN-DIR
Profiles of more than 1 million active and retired physicians nationwide derived from the American Medical Association’s Physician Masterfile.	

Public Records

DATABASE	IDENTIFIER
Medical Licenses–Combined Medical Licenses–Individual State	MEDLICENSE-ALL MEDLICENSE-XX
Information on various medical professionals, including, but not limited to, physicians, nurses, pharmacists, dentists, paramedics, counselors, therapists, social workers, morticians, veterinarians, and other health care workers, licensed in any of the 50 states or the District of Columbia. Records from individual states, except Washington, are found in databases with the identifier MEDLICENSE-XX, where XX is a state’s two-letter postal abbreviation. Not available to law school subscribers.	

Professional Licenses–DEA	DEA
Information on businesses and individuals who are registered with the Drug Enforcement Administration (DEA) under the Controlled Substances Act authorizing them to prescribe and handle controlled substances. Records are maintained on physicians and related practitioners; dentists; veterinarians; persons conducting research with controlled substances; importers, exporters, manufacturers, and distributors of controlled substances; and pharmacies.	

Drugs and Medical Devices

DATABASE	IDENTIFIER
ECRI Health Devices Alerts	ECRI-HD
Reports of medical device problems, hazards, and recalls and summaries of medical journal articles associated with the medical devices from the <i>ECRI Health Devices Alerts</i> newsletter. Coverage begins with April 1977. Not available to law school subscribers.	
ECRI Health Devices Journal	ECRI-HDJ
A monthly publication providing detailed brand-name evaluations of medical devices and systems, as well as hazard alerts and guidance articles. Coverage is current through January 2007.	
ECRI International Health Technology Assessment	ECRI-IHTA
Bibliographic citations and abstracts, as well as selected full-text articles, from literature on health care technologies, including practice guidelines and standards of care; legal briefs; manufacturers' studies, technical reports, and monographs published by public and private organizations; technical and clinical periodicals; and meeting abstracts, background papers, and health policy reports. Coverage begins with 1990. Not available to law school subscribers.	
ECRI Technology Assessment Resource Guide to Emerging Technologies	ECRI-TARGET
Text of the <i>ECRI Technology Assessment Resource Guide to Emerging Technologies</i> , which provides insights on new and emerging health care technologies (devices, drugs, biotechnologies, procedures, and information systems), including those technologies still in development. Not available to law school subscribers.	
ECRI Windows on Medical Technology	ECRI-MEDTECH
Evidence reports on drugs, devices, and procedures that provide an overview of emerging medical technologies. Each report describes a medical intervention or service, the condition for which it is used and the target population, the evidence base, an analysis of the literature, and more. Coverage is current through January 2007.	

Health Care Industry Information

DATABASE	IDENTIFIER
American Political Network–American Health Line	APN-HE
Daily briefings on current issues in health care, politics, and policy. Coverage begins with March 1992.	
BNA Health Care Daily Report	BNA-HCD
Reports on all aspects of health care, including case law, taxes, collective bargaining, insurance, human resources–related issues, and Medicare. Coverage begins with October 1992. Not available to law school subscribers.	
BNA Health Care Fraud Report	BNA-HCFR
A biweekly publication that reports on and analyzes activity in the courts, Congress and state legislatures, state and federal regulatory agencies, and the private sector pertaining to health care fraud. Coverage begins with January 1997. Not available to law school subscribers.	

BNA Health Care Library (Multibase)	BNA-HEALTH
Complete text of the BNA Health Law and Business Series portfolios, as well as other BNA publications relating to the health care industry. Coverage varies by source. Not available to law school subscribers.	
BNA Health Care Policy Report	BNA-HCP
Reports and analyses concerning developments in health care policy and reform initiatives. Coverage begins with March 1993. Not available to law school subscribers.	
BNA Health Law and Business Series Portfolios (Multibase)	BNAHLB
The complete text of all BNA Health Law and Business Series portfolios available on Westlaw. The portfolios are also available in the individual databases listed below. Not available to law school subscribers.	
BNA Health Law and Business Portfolios: Credentialing Strategies for a Changing Environment: Establishing and Operating an Effective Program	BNAHLB-CSC

BNA Health Law Reporter	BNA-HLR
Reports and analyses concerning developments in health law, including coverage of judicial decisions and activities in Congress, state legislatures, state and federal regulatory agencies, and the private sector. Coverage begins with September 1992. Not available to law school subscribers.	

BNA Health Plan and Provider Report	BNA-HPPR
A weekly publication that reports on and analyzes activity in the courts, Congress and state legislatures, state and federal regulatory agencies, and the private sector affecting the managed care industry. Coverage begins with January 1998. Not available to law school subscribers.	
BNA Medical Research Law and Policy Report	BNA-MRLP
Documents from the <i>BNA Medical Research Law and Policy Report</i> , a biweekly publication that reports on and analyzes developments in the area of health law, including coverage of activity in the courts, the U.S. Congress and state legislatures, state and federal regulatory agencies, and the private sector. Coverage begins with March 2002. Not available to law school subscribers.	
BNA Medicare Report	BNA-MED
Reports and analyses concerning developments in the Medicare program, including coverage of legislation, regulations, health care reform policies, and court and administrative decisions. Coverage begins with November 1991. Not available to law school subscribers.	
BNA Pharmaceutical Law and Industry Report	BNA-PLIR
Articles from BNA's <i>Pharmaceutical Law and Industry Report</i> (formerly the <i>Pharmaceutical Law and Policy Report</i>), which follows major developments at the federal and state level that affect the pharmaceutical and biotech industries. Coverage begins with July 2001. Not available to law school subscribers.	
BNA State Health Care Regulatory Developments	BNA-SHCRDEV
Reports on and analyses of current developments in health care regulation at the state level. Coverage begins with December 1995. Not available to law school subscribers.	
Dorland's Medical and Healthcare Marketplace Guide: Company Profiles	MHMG-COM
Contact information for more than 8,000 public and private companies in the health and biotechnology industries worldwide. Not available to law school subscribers.	
Dorland's Medical and Healthcare Marketplace Guide: Reports	MHMG-REP
Information on trends, developments, scientific advancements, and company activities in every segment of the medical and health care industry, including the pharmaceutical, medical device, and biotechnology sectors. Not available to law school subscribers.	
Health Care Services Industry News	WNS-HC
News and information about companies that derive revenue mainly from providing health care services, including companies that operate hospitals, nursing and convalescent homes, long-term care facilities, and in-home health services. Also included are health care professionals such as doctors, nurses, and dentists, as well as health maintenance organizations (HMOs), ambulance companies, and medical office managers. Coverage varies by source.	
Health News	HTHNEWS
News and information about health-related topics from newspapers, magazines, journals, newsletters, transcripts, and wires. Topics include health care policy, drug retailers and wholesalers, health care providers, medical devices and supplies, pharmaceuticals, tobacco, the FDA, and the Department of Health and Human Services. Coverage varies by source.	
Health Policy Tracking Service Issue Briefs and Snapshots Combined	HPTS
Issue briefs providing analysis of and snapshots providing updates on health-related issues that pertain to the following topics: access to health insurance, health care providers and facilities, health insurance oversight, long-term care, Medicaid, mental illness and addiction, pharmaceuticals, and public health. Coverage of issue briefs begins with December 2004, and coverage of snapshots begins with January 2005.	

HPTS Issue Briefs and Snapshots: Access to Health Insurance	HPTS-ACC
HPTS Issue Briefs and Snapshots: Health Care Providers and Facilities	HPTS-PRF
HPTS Issue Briefs and Snapshots: Health Insurance Oversight	HPTS-IOV
HPTS Issue Briefs and Snapshots: Long-Term Care	HPTS-LTC
HPTS Issue Briefs and Snapshots: Medicaid	HPTS-MDC
HPTS Issue Briefs and Snapshots: Mental Illness and Addiction	HPTS-MIA
HPTS Issue Briefs and Snapshots: Pharmaceuticals	HPTS-PHR
HPTS Issue Briefs and Snapshots: Public Health	HPTS-PUB
HPTS Issue Briefs Combined	HPTSIB
HPTS Issue Briefs: Access to Health Insurance	HPTSIB-ACC
HPTS Issue Briefs: Health Care Providers and Facilities	HPTSIB-PRF
HPTS Issue Briefs: Health Insurance Oversight	HPTSIB-IOV
HPTS Issue Briefs: Long-Term Care	HPTSIB-LTC
HPTS Issue Briefs: Medicaid	HPTSIB-MDC
HPTS Issue Briefs: Mental Illness and Addiction	HPTSIB-MIA
HPTS Issue Briefs: Pharmaceuticals	HPTSIB-PHR
HPTS Issue Briefs: Public Health	HPTSIB-PUB
HPTS Snapshots Combined	HPTSS
HPTS Snapshots: Access to Health Insurance	HPTSS-ACC
HPTS Snapshots: Health Care Providers and Facilities	HPTSS-PRF
HPTS Snapshots: Health Insurance Oversight	HPTSS-IOV
HPTS Snapshots: Long-Term Care	HPTSS-LTC
HPTS Snapshots: Medicaid	HPTSS-MDC
HPTS Snapshots: Mental Illness and Addiction	HPTSS-MIA
HPTS Snapshots: Pharmaceuticals	HPTSS-PHR
HPTS Snapshots: Public Health	HPTSS-PUB

Legal Treatises, Forms, and Practice Materials

DATABASE	IDENTIFIER
<p>Health Law—Law Reviews, Texts, and Bar Journals</p> <p>Documents from law reviews, texts, <i>American Jurisprudence 2d</i> (Am Jur® 2d), continuing legal education (CLE) course materials, bar journals, and legal practice-oriented periodicals that relate to the provision of wellness services and regulation of health care institutions. <p>Controlled Substances Handbook</p> <p>Full text of the <i>Controlled Substances Handbook</i>, which translates DEA regulations into easy-to-understand text and clarifies what each regulation requires. The handbook also contains the complete text of the Controlled Substances Act and a list of controlled substances.</p>	CONSUBHBK
<p>DRI: HIPAA Best Practices for Defense Lawyers</p> <p>The 2005 edition of DRI's <i>HIPAA Best Practices for Defense Lawyers</i>.</p>	DRI-HIPAA

Employer's Guide to HIPAA Privacy Requirements	HIPAPRIVACY
Full text of the <i>Employer's Guide to HIPAA Privacy Requirements</i> , which discusses the Health Insurance Portability and Accountability Act (HIPAA) and the restrictions it places on the use and disclosure of employees' health information. It also discusses HIPAA's interaction with other laws.	
Employer's Guide to Self-Insuring Health Benefits	SELFINSURED
Full text of the <i>Employer's Guide to Self-Insuring Health Benefits</i> , which covers the implementation of self-funded plans and keeping such plans in compliance with recent federal regulations, court rulings, and legislation.	
Employer's Guide to the Health Insurance Portability and Accountability Act	HIPAGUIDE
Full text of the <i>Employer's Guide to the Health Insurance Portability and Accountability Act</i> , which discusses the Act's interaction with other laws, such as the Employee Retirement Income Security Act (ERISA), Americans with Disabilities Act (ADA), Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), and Family and Medical Leave Act (FMLA). It also contains guidance on avoiding penalties, including civil fines and criminal prosecution.	
False Claims Act: Fraud Against the Government	FCA
Full text of the <i>False Claims Act: Fraud Against the Government</i> , which discusses the law that has developed under the False Claims Act, including liability to the government as well as to private individuals; damages, penalties, and other remedies; and attorneys' fees and costs. The treatise also discusses qui tam actions and current state false claims laws modeled on the federal statute.	
FDA Advertising and Promotion Manual	FDAADPROM
Full text of the <i>FDA Advertising and Promotion Manual</i> , which examines FDA and Federal Trade Commission (FTC) regulations and guidelines for the advertising and promotion of pharmaceuticals, medical devices, biologics, foods, veterinary medicines, and cosmetics. The manual covers all media venues—the Internet, print ads, scientific symposia, television and radio ads, detailers, video news releases, press releases, sponsored studies, celebrity endorsements, media tours, and teleconferences.	
FDA Enforcement Manual	FDAENF
Full text of the <i>FDA Enforcement Manual</i> , which examines the operating procedures of the FDA and how it reaches its enforcement decisions. The manual discusses how to avoid or manage FDA inspections, warnings, recalls, penalties, seizures, and other enforcement actions.	
Food and Drug Administration	FDADMIN
Full text of <i>Food and Drug Administration</i> , an encyclopedic legal guide to the practice and procedure of the FDA. The treatise discusses topics such as biotechnology and import and export issues, drug and device approval requirements, state food and drug regulations, inspections, and warnings, and includes standard FDA forms.	
Guide to Good Clinical Practice	CLINPRAC
Full text of the <i>Guide to Good Clinical Practice</i> , which provides sponsors, institutional review boards, clinical investigators, monitors, and study site staff with the information and tools needed to conduct quality clinical trials of new drugs, devices, and biologics. The publication is a comprehensive guide to governing laws, federal regulations, international harmonization efforts, and accepted good clinical practices.	
Guide to Medical Device Regulation	MEDDVCREG
Full text of the <i>Guide to Medical Device Regulation</i> , which analyzes medical device regulation, including the ways in which the courts and the FDA are interpreting and enforcing regulations.	
Guide to Medical Privacy and HIPAA	MEDPRIVACY
Full text of the <i>Guide to Medical Privacy and HIPAA</i> , which discusses the medical records privacy requirements of HIPAA and strategies for complying with these requirements, including developing security safeguards, establishing an internal complaint process, and implementing privacy training programs.	

Health Care and Antitrust Law	HTHATRL
Full text of <i>Health Care and Antitrust Law</i> , which analyzes the antitrust issues affecting health care providers. The treatise gives an overview of general antitrust principles and describes how they apply to different health care industry segments. It includes discussion of the Robinson-Patman Act, Nonprofit Institutions Act, and Sherman Antitrust Act, as well as forms, letters, opinions, and speeches from more than 30 hard-to-find sources.	
Health Care Benefits Law	HCBL
Complete text of the treatise <i>Health Care Benefits Law</i> .	
Health Care Financial Transactions Manual	HTHCFTM
Full text of <i>Health Care Financial Transactions Manual</i> , which covers the legal issues that may arise in health care transactions. The treatise includes an overview of the health care industry with discussion of various types of providers and third-party payers, Medicare and Medicaid programs, and state and federal regulation of the health care industry, including physician financial arrangements, fraud and abuse, and ownership disclosure rules.	
Health Care Fraud	HTHCRFRD
Complete text of <i>Health Care Fraud: Criminal, Civil, and Administrative Law</i> , which presents an overview of the law related to health care fraud and abuse, with a focus on fraud and abuse committed by health care providers.	
Health Law Handbook	HTHLHB
Full text of the 2007 edition of the <i>Health Law Handbook</i> , which contains articles related to the practice of medicine, including privacy standards under HIPAA, security issues in electronic health information, health care fraud and abuse, physician employment agreements, quality of care and risk management, and competition in the current regulatory scheme.	
Health Law Practice Guide	HTHLPG
Full text of the <i>Health Law Practice Guide</i> , a three-volume reference set written by AHLA members that covers legal issues in health care. The content is divided into five major categories: operational issues for health care facilities, patient care delivery issues, payment issues, transactions, and special legal concerns in the business environment.	
Hospital Liability	HOSPLIAB
Full text of <i>Hospital Liability</i> , which discusses issues such as health maintenance organization liability for medical malpractice; nonmedical liability; liability for negligent ambulance service; informed consent and damages for both disclosed and undisclosed complications; standards for alternative methods of blood conservation and use; punitive damages; pregnancy-related actions; blood services, anesthesia, radiology, surgery, autopsy, and donation liability; hospital liability for the acts of a private physician; hospital antitrust liability; and theories of liability for the abuse and neglect of nursing home residents.	
HPTS State RX Policies	HPTSSRX
Information on Medicaid pharmaceutical cost control programs and pharmaceutical assistance programs for all 50 states and the District of Columbia.	
Immigration Law and Health	IMLHTH
Full text of <i>Immigration Law and Health</i> , which covers immigration law as it affects health professionals seeking entrance to the United States, immigrants excluded from the United States on health-related grounds, and alien residents seeking health care services.	
Major Health Care Policies: 50 State Profiles	HTHCPOL
Full text of <i>Major Health Care Policies: 50 State Profiles</i> , 2005 Edition, which provides a state-by-state review of legislative initiatives affecting health care.	
Mandated Health Benefits—The COBRA Guide	COBRAGUIDE
Full text of <i>Mandated Health Benefits—The COBRA Guide</i> , a guide through the complex process of complying with the continuation-of-coverage provisions under COBRA and state laws.	

Medical-Legal Information Texts and Periodicals	MLI-TP
Combination of the following databases: Attorneys Medical Advisor (MEDADV), Attorneys Medical Atlas (AMA-ATLAS), Attorneys Medical Deskbook 4th (MEDDESK), Cited MEDLINE Abstracts (MEDLINEAB), International Classification of Diseases, Ninth Revision, Clinical Modification (ICD9-CM), Physicians' Desk Reference (PDR), Selected MEDLINE Abstracts (SELECTMEDLINE), and Stedman's Medical Dictionary (STEDMANS). Coverage varies by source.	
Medicare and Medicaid Fraud and Abuse	MEDFRAUD
Full text of <i>Medicare and Medicaid Fraud and Abuse</i> , which focuses on Medicare and Medicaid fraud and abuse along with a discussion of health care fraud and abuse in general. The treatise discusses state and federal law, including administrative and court decisions, explains provisions of the Balanced Budget Act of 1997 and HIPAA, and analyzes the issues behind the laws and regulations.	
Nursing Home Regulations Manual	NURHMREGS
