Selected briefs filed with the U.S. Supreme Court and courts of appeals and state courts that discuss topics of interest to medical malpractice practitioners. Coverage begins with 1950.	
<b>Medical Malpractice Briefs Multibase, Individual State</b>	XX-MM-BRIEF-ALL
Selected briefs relating to medical malpractice from California, Illinois, Ohio, Pennsylvania, and Texas. (XX in the database identifier is a state’s two-letter postal abbreviation.) Coverage varies by state.	
<b>Medical Malpractice Trial Filings</b>	MEDMAL-FILING
Motions, memoranda, pleadings, and other trial filings related to medical malpractice litigation in state and federal courts. Coverage begins with 1993.	
<b>Andrews Drug Recall Litigation Reporter Court Documents</b>	ANDRLR-DOC
Court documents that are cited in the Andrews Drug Recall Litigation Reporter database (ANDRLR), including petitions, complaints, briefs, motions, and memoranda. Coverage begins with 2000.	
<b>Andrews Expert and Scientific Evidence Litigation Reporter Court Documents</b>	ANESELR-DOC
Court documents that are cited in the Andrews Expert and Scientific Evidence Litigation Reporter database (ANESELR), including petitions, complaints, briefs, motions, and memoranda. Coverage begins with 2000.	
<b>Andrews Medical Devices Litigation Reporter Court Documents</b>	ANMDLR-DOC
Court documents that are cited in the Andrews Medical Devices Litigation Reporter database (ANMDLR), including petitions, complaints, briefs, motions, and memoranda. Coverage begins with 2000.	
<b>Andrews Nursing Home Litigation Reporter Court Documents</b>	ANNHLTGR-DOC
Court documents that are cited in the Andrews Nursing Home Litigation Reporter database (ANNHLTGR), including petitions, complaints, briefs, motions, and memoranda. Coverage begins with 2000.	
<b>Andrews Pharmaceutical Litigation Reporter Court Documents</b>	ANPHARLR-DOC
Court documents that are cited in the Andrews Pharmaceutical Litigation Reporter database (ANPHARLR), including petitions, complaints, briefs, motions, and memoranda. Coverage begins with 2000.	
<b>West’s Medical Malpractice Law Report Court Documents</b>	ANMEDMALR-DOC
Court documents that are cited in West’s Medical Malpractice Law Report database (ANMEDMALR), including petitions, complaints, briefs, motions, and memoranda. Coverage begins with 2005.	

**Administrative Decisions**

Database	Identifier
<b>Multistate Medical Board Administrative Decisions</b>	MBADMIN-ALL
<b>Individual State Medical Board Administrative Decisions</b>	XXMB-ADMIN
Decisions issued by the medical boards in the following states: Arizona, New York, Vermont, Virginia, and Wisconsin. Coverage varies by state.	

<b>Federal Health Law–FDA Multibase</b>	<b>FHTH-FEDFDA</b>
All documents from the following databases; FDA Enforcement Report (FHTH-FDA), FDA Adverse Event Reporting System (FHTH-AERS), FDA Manufacturer, User Facility, and Distributor Experience (FHTH-MAUDE), and FDA MedWatch Recalls and Related Documents (FHTH-MEDWATCH). Coverage varies by source.	
<b>Federal Health Law–FDA Enforcement Report</b>	<b>FHTH-FDA</b>
Documents from <i>FDA Enforcement Report</i> , a weekly publication of the Food and Drug Administration (FDA) that reports on regulatory activities of the FDA, including prosecutions, seizures, injunctions, and voluntarily conducted safety alerts and recalls. Products covered include food, cosmetics, drugs, medical devices, and veterinary products. Coverage begins with May 1984.	
<b>FDA Adverse Event Reporting System</b>	<b>FHTH-AERS</b>
Documents from the FDA's Adverse Event Reporting System, which contains reports of adverse events involving drugs and therapeutic biologic products. Coverage begins with January 2004.	
<b>FDA Manufacturer, User Facility, and Distributor Experience</b>	<b>FHTH-MAUDE</b>
Data from the FDA's Manufacturer and User Facility Device Experience (MAUDE) database concerning adverse events involving medical devices. Coverage begins with June 1993 for all voluntary reports, with 1991 for user facility reports, with 1993 for distributor reports, and with August 1996 for manufacturer reports.	
<b>FDA MedWatch Recalls and Related Documents</b>	<b>FHTH-MEDWATCH</b>
Recall information from the FDA for biologics, drugs, and medical devices along with related documents such as label information, patient information, notice letters with attachments, health care professional letters, and news releases. Coverage begins with 1996.	
<b>50 State Survey–Health Care (Statutes and Regulations)</b>	<b>SURVEY-HEALTH</b>
Surveys of state statutes and regulations pertaining to health care plus references to the applicable statutes and regulations. Not available to law school subscribers.	
<b>New York Department of Health Administrative Review Board</b>	<b>NYDOH-ARB</b>
Decisions issued by the New York Department of Health Administrative Review Board, which reviews Board for Professional Medical Conduct determinations concerning patient allegations of professional misconduct. Coverage begins with 1990.	
<b>Statutes and Court Rules</b>	
Database	Identifier
<b>Medical Malpractice Statutes</b>	<b>MM-ST</b>
Federal and state statutes related to medical malpractice claims. Coverage varies by jurisdiction.	
<b>Federal Tort Claims Act Annotated</b>	<b>FEDTORT-ST</b>
Text of the Federal Tort Claims Act (28 U.S.C.A. §§ 1291, 1346, 1402, 2401, 2402, 2411, 2412, 2671–2680) from the <i>United States Code Annotated</i> <sup>®</sup> (USCA <sup>®</sup> ), including credits, historical notes, notes of decisions, and other annotations.	
<b>Personal Injury Damages–Statutes</b>	<b>DMG-ST</b>
Statutes from selected states (Arizona, California, Colorado, Florida, Illinois, Louisiana, Massachusetts, Michigan, Minnesota, New York, Oklahoma, Pennsylvania, Texas, Washington, and Wisconsin) related to personal injury damages. Coverage varies by jurisdiction.	
<b>50 State Survey–Health Care (Statutes and Regulations)</b>	<b>SURVEY-HEALTH</b>
Surveys of state statutes and regulations pertaining to health care plus references to the applicable statutes and regulations. Not available to law school subscribers.	
<b>Federal Rules</b>	<b>US-RULES</b>
Rules from the USCA, including the Federal Rules of Bankruptcy Procedure, the Federal Rules of Appellate Procedure, the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure, the Federal Rules of Evidence, and additional rules.	

<b>Federal Rules Update Orders</b>	US-RULESUPDATES
Federal court orders that update federal court rules as displayed in the US-RULES database.	
<b>State Court Rules</b>	RULES-ALL
<b>Individual State Court Rules</b>	XX-RULES
State and local federal district and bankruptcy court rules as displayed in West's court rules and statutes databases. Rules from individual states are found in databases with the identifier XX-RULES, where XX is a state's two-letter postal abbreviation.	
<b>State Rules Update Orders</b>	RULESUPDATES-ALL
<b>Individual State Rules Update Orders</b>	XX-RULESUPDATES
Court orders that update court rules governing state and local federal practice as displayed in the state court rules databases. Court orders from individual states are found in databases with the identifier XX-RULESUPDATES, where XX is a state's two-letter postal abbreviation.	
<b>Jury Verdicts</b>	
Database	Identifier
<b>California Trials Digest</b>	CA-JV
Summaries of jury verdicts and judgments from California state and federal courts supplied by Trials Digest Publishing, including information such as case type; geographic area where a case was tried; names of parties, attorneys, and expert witnesses; factual information about the case; and verdict or judgment amount. Coverage begins with 1991.	
<b>Combined ALM VerdictSearch Jury Verdicts and Settlements</b>	ALMVS-JV
<b>ALM VerdictSearch Individual State Jury Verdicts and Settlements</b>	ALMVS-XX-JV
Summaries of civil jury verdicts, judgments, settlements, and arbitrations from all 50 states and the District of Columbia. Published by ALM Properties, the summaries include information such as case type; jurisdiction; names of parties, attorneys, and expert witnesses; factual information about the case; and award amount. Coverage varies by state. Jury verdicts from 11 individual states (California, Florida, Illinois, Kansas, Missouri, New Jersey, New Mexico, New York, Ohio, Pennsylvania, and Texas) are also found in databases with the identifier ALMVS-XX-JV, where XX is a state's two-letter postal abbreviation.	
<b>Combined JAS Jury Verdicts and Settlements</b>	JAS-JV
<b>Individual State Jury Verdicts</b>	JASXX-JV
Civil jury verdict and settlement summaries for cases published in JAS Publications trial reporters, including information such as case type; venue; names of parties, attorneys, and expert witnesses; summary of case; insurance carrier; settlement efforts; and dollar range of verdict or settlement. Coverage varies by state. Jury verdicts from each state (CT, GA, MA, MD, MI, NC, OH, RI, SC, and VA) and the District of Columbia are also found in databases with the identifier JASXX-JV, where XX is a state's two-letter postal abbreviation.	
<b>Combined Jury Verdicts and Settlements</b>	JV-ALL
<b>Individual State Jury Verdicts All</b>	XX-JV-ALL
Summaries of jury verdicts, judgments, settlements, and arbitration awards from around the country. This database combines summaries supplied by ALM Properties, Florida Legal Periodicals, JAS Publications, Jury Verdicts Northwest, LRP Publications, Trials Digest Publishing, West, and other publishers. Coverage varies by source. Combined summaries for 10 individual states (FL, IL, KS, MO, NJ, NM, NY, OH, PA, and TX) are also found in databases with the identifier XX-JV-ALL, where XX is a state's two-letter postal abbreviation. Combined summaries for California are found in CA-JV-COMB. JV-ALL is not available to law school subscribers.	
<b>Jury Verdict and Settlement Summaries</b>	LRP-JV
<b>Jury Verdict and Settlement Summaries—Individual State</b>	LRPXX-JV
Summaries of jury verdicts and settlements from around the country supplied by LRP Publications, including information such as case type; geographic area where a case was tried or settled; names of parties, attorneys, and expert witnesses; factual information about the case; and verdict or settlement amount. Coverage begins with 1987. Jury verdict and settlement summaries from individual states are found in databases with the identifier LRPXX-JV, where XX is a state's two-letter postal abbreviation.	

<b>Jury Verdicts–National</b>	JV-NAT
<b>Individual State Jury Verdicts Combined</b>	XX-JV
Summaries of jury verdicts, judgments, settlements, and arbitration awards from around the country. This database combines summaries supplied by Florida Legal Periodicals, JAS Publications, Jury Verdicts Northwest, LRP Publications, Trials Digest Publishing, West, and other publishers. Coverage varies by source. Combined summaries for individual states (all states except California) and the District of Columbia are found in databases with the identifier XX-JV, where XX is a state’s two-letter postal abbreviation. Combined summaries for California are found in CA-JV-ALL.	
<b>Jury Verdicts Northwest</b>	JVN-JV
<b>Individual State Jury Verdicts Northwest</b>	JVNXX-JV
Verdict, judgment, settlement, and arbitration summaries from federal and state courts in Alaska, Idaho, Oregon, and Washington supplied by Jury Verdicts Northwest. Summaries include information such as case type; geographic area where a case was tried or settled; names of parties, attorneys, and expert witnesses; factual information about the case; and verdict or settlement amount. Coverage begins with 1988. Jury verdicts from the four individual states are found in databases with the identifier JVNXX-JV, where XX is a state’s two-letter postal abbreviation.	
<b>Personal Injury Jury Verdicts and Settlement Summaries</b>	JV-PI
Jury verdict and settlement summaries relating to personal injury law. The summaries consist of information such as case type; geographic area where a case was tried or settled; names of parties, attorneys, and expert witnesses; factual information about the case; and verdict or settlement amount. Coverage begins with 1990.	
<b>Stein on Personal Injury Damages–Digest of Awards</b>	STEIN-DIG
Full text of the awards digest sections of <i>Stein on Personal Injury Damages</i> , Third Edition. The awards digest sections categorize reported personal injury cases by the major body part or system injured and by the action taken by the reviewing court. Reports on cases include the amounts awarded, the injuries sustained, and the circumstances of the accident.

Summaries of jury verdicts, judgments, settlements, and arbitration awards from state and federal district courts in Arizona, Colorado, Connecticut, Georgia, Illinois, Indiana, Iowa, Kansas, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nevada, Ohio, Oklahoma, Texas, Virginia, Washington, and Wisconsin. (XX in the database identifier is a state’s two-letter postal abbreviation.) Coverage varies by court.	
<b>Jury Instructions</b>	
Database	Identifier
<b>Jury Instructions Combined</b>	JJ-ALL
All state and federal civil and criminal jury instructions currently available on Westlaw. Includes the text of <i>Federal Jury Practice and Instructions</i> . Coverage varies by source.	
<b>Jury Instruction Filings Combined</b>	JIF-ALL
<b>Individual State Jury Instruction Filings</b>	XX-JIF-CIV
Text of actual jury instructions submitted and filed with the state and federal trial courts in Alabama, Arizona, California, Colorado, Connecticut, the District of Columbia, Florida, Georgia, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Nevada, New York, Ohio, Oklahoma, Pennsylvania, Tennessee, Texas, Virginia, Washington, and Wisconsin. Coverage varies by state. Filings from individual states are found in databases with the identifier XX-JIF-CIV, where XX is a state’s two-letter postal abbreviation.	
<b>Alabama Pattern Jury Instructions Civil, Second Edition</b>	AL-APJICIV
Full text of <i>Alabama Pattern Jury Instructions Civil</i> , Second Edition, published by the Alabama Pattern Jury Instructions Committee–Civil.	

<b>Arkansas Model Jury Instructions–Civil</b>	AR-JICIV
Text of the 2008 edition of <i>Arkansas Model Jury Instructions–Civil</i> , written by the Arkansas Supreme Court Committee on Jury Instructions, which provides a comprehensive set of jury instructions for most tort cases in Arkansas. Each instruction is followed by a “Note on Use” section that describes when, where, and how to use each instruction, as well as a “Comment” section that describes relevant case law.	
<b>Arizona Pattern Jury Instructions–Civil</b>	AZ-JICIV
Text of <i>Revised Arizona Pattern Jury Instructions (Civil)</i> , Fourth Edition, prepared by the Civil Jury Instructions Committee of the State Bar of Arizona.	
<b>California Civil Jury Instructions</b>	CA-JICIV
All documents from the California Civil Jury Instructions (BAJI) database (CA-BAJI) and the Judicial Council of California Civil Jury Instructions database (CACI).	
<b>California Civil Jury Instructions (BAJI)</b>	CA-BAJI
Text of <i>California Jury Instructions–Civil</i> (BAJI), including the jury instructions and associated commentary, use notes, and library reference materials, prepared by the Civil Committee on California Jury Instructions.	
<b>Colorado Jury Instructions–Civil</b>	CO-JICIV
Text of <i>Colorado Jury Instructions–Civil</i> , Fourth Edition, published by the Colorado Supreme Court Committee on Civil Jury Instructions.	
<b>Delaware Pattern Civil Jury Instructions</b>	DE-JICIV
Full text of the 2000 edition of the <i>Delaware Pattern Jury Instructions for Civil Practice</i> compiled by the Delaware Pattern Civil Jury Instructions Committee to serve as a reference guide for practitioners in Delaware Superior Court. It also includes commentary, annotations, and sample checklists and verdict forms.	
<b>Federal Jury Practice and Instructions–Civil</b>	FED-JICIV
Text of jury instructions for civil cases tried in federal courts from the treatise <i>Federal Jury Practice and Instructions</i> , Fifth Edition, including pattern jury instructions for the Fifth, Seventh, and Eleventh circuits and model jury instructions for the district courts in the Third, Eighth, and Ninth circuits.	
<b>Florida Standard Jury Instructions–Civil</b>	FL-JICIV
Text of <i>Florida Standard Jury Instructions in Civil Cases</i> prepared by the Florida Supreme Court Committee on Standard Jury Instructions and published by the Florida Bar.	
<b>Georgia Suggested Pattern Jury Instructions, Volume I: Civil Cases</b>	GA-JICIV
Full text of <i>Georgia Suggested Pattern Jury Instructions, Volume I: Civil Cases</i> published by the Committee on Pattern Jury Instructions of the Council of Superior Court Judges of Georgia.	
<b>Hawaii Civil Jury Instructions</b>	HI-CIV-JI
Text of <i>Hawaii Civil Jury Instructions</i> , 1999 Edition, and subsequent amendments.	
<b>Illinois Non-Pattern Jury Instructions–Civil</b>	IL-NP-JICIV
Full text of the third edition of <i>Illinois Non-Pattern Jury Instructions–Civil</i> , which links pattern and non-pattern jury instructions through use of the instructions and extensive annotations.	
<b>Illinois Pattern Jury Instructions–Civil</b>	IL-IPICIV
Text of <i>Illinois Pattern Jury Instructions–Civil</i> , 2007 Edition. Associated commentary and notes on use are included.	
<b>Judicial Council of California Civil Jury Instructions</b>	CACI
Civil jury instructions approved by the Judicial Council of California.	
<b>Louisiana Civil Law Treatise–Civil Jury Instructions</b>	LA-JICIV
Text of <i>Civil Jury Instructions</i> , Second Edition, which presents model jury instructions, categorized by cause of action and accompanied by commentary and references to underlying statutes and case law. <i>Civil Jury Instructions</i> is part of the Louisiana Civil Law Treatise Series.	

<b>Maryland Jury Instructions–Civil</b> Text of <i>Maryland Civil Pattern Jury Instructions</i> , Fourth Edition, published by the Maryland Institute for Continuing Professional Education of Lawyers, Inc.	MD-JICIV
<b>Massachusetts Civil Jury Instructions</b> Selected text from <i>Massachusetts Superior Court Civil Practice Jury Instructions</i> and <i>Model Jury Instructions for Use in the District Court</i> , handbooks from Massachusetts Continuing Legal Education course materials.	MA-JICIV
<b>Michigan Nonstandard Jury Instructions–Civil</b> Text of <i>Michigan Nonstandard Jury Instructions–Civil</i> , which contains hundreds of nonstandard instructions to be used as alternatives or additions to <i>Michigan Standard Jury Instructions–Michigan Civil Jury Instructions</i> .	MI-NSJICV
<b>Minnesota Practice Series: Jury Instruction Guides–Civil</b> Full text of volumes 4 and 4A of the Minnesota Practice Series, <i>Jury Instruction Guides–Civil</i> , prepared by the Minnesota District Judges Association, Committee on Jury Instruction Guides.	MN-JICIV

FEDTORT
<b>Handbook of Personal Injury Forms and Litigation Materials</b> Text of the <i>Handbook of Personal Injury Forms and Litigation Materials</i> , Second Edition, which provides the materials needed for handling cases involving auto accident injuries, products liability, premises liability, and medical malpractice. The authors go through each step of the personal injury case, detailing how to prepare a case, address complaints, present a case at trial, handle negotiation and settlement, and conduct posttrial matters. The treatise includes sample requests for hospital records and medical bills, excerpts from depositions, settlement letters, narrative settlements, agreements for judgment, and release forms.	HPIF

<b>Hospital Liability</b>	HOSPLIAB
Full text of <i>Hospital Liability</i> , which discusses issues such as health maintenance organization liability for medical malpractice; nonmedical liability; liability for negligent ambulance service; informed consent and damages for both disclosed and undisclosed complications; standards for alternative methods of blood conservation and use; punitive damages; pregnancy-related actions; blood services, anesthesia, radiology, surgery, autopsy, and donation liability; hospital liability for the acts of a private physician; hospital antitrust liability; and theories of liability for the abuse and neglect of nursing home residents.	
<b>Massachusetts Proof of Cases</b>	MAPOC
Full text of <i>Mottla's Proof of Cases in Massachusetts</i> , Third Edition, an encyclopedic treatment of the elements of substantive law that must be proved in order to prevail in civil or criminal cases. The first volume covers civil law topics; the second volume is devoted to criminal law topics; and the third volume deals with evidentiary issues.	
<b>Medical Malpractice</b>	PLIREF-MEDMAL
Text of the Practising Law Institute's <i>Medical Malpractice: Discovery and Trial</i> , Seventh Edition, which covers the law of medical malpractice (physician and hospital liability, defenses, and damages), trial preparation (pleading practice, discovery, and pretrial motions), and trial practice and procedure (jury selection, opening statement, presenting the case, cross-examination, jury instructions, summation, and judgment).	
<b>Medical Malpractice: Checklists and Discovery</b>	MEDMALCD
Full text of <i>Medical Malpractice: Checklists and Discovery</i> , a treatise on pretrial discovery, which provides pattern interrogatories, deposition checklists, requests for production, and other practical information about medical malpractice actions for both plaintiffs and defendants. It also contains research references, author commentary, and state discovery rules governing interrogatories, requests for production, depositions, and sanctions.	
<b>Medical Records Review</b>	MEDRR
Full text of <i>Medical Records Review</i> , Fourth Edition, a guide to understanding medical records. The treatise includes chapters on the sources and components of a medical record, medical diagnosis and treatment, obtaining and summarizing medicals records, and using medical records at trial.	
<b>Modern Scientific Evidence: The Law and Science of Expert Testimony</b>	MODSCIEVID
Full text of <i>Modern Scientific Evidence: The Law and Science of Expert Testimony</i> , which provides attorneys and judges with the necessary legal and scientific background for dealing with scientific evidence and expert witnesses.	
<b>New York Jurisprudence 2d—Medical Malpractice</b>	NYJUR-MEDMAL
Documents relating to medical malpractice from <i>New York Jurisprudence 2d</i> , a multivolume encyclopedia of New York law.	
<b>Pattern Deposition Checklists</b>	PDEPC
Full text of <i>Pattern Deposition Checklists</i> , Fourth Edition, which provides comprehensive direction on how to handle depositions, especially oral depositions. The checklists are organized by litigation-specific situations involving tort actions, motor vehicle accidents, premises liability, products liability, medical malpractice, family law, and employment law.	
<b>Pattern Discovery: Tort Actions, Third Edition</b>	PDTORT
Full text of <i>Pattern Discovery: Tort Actions</i> , Third Edition, which covers discovery in tort actions, including pattern interrogatories, depositions, requests for production of documents, and preparation of witnesses for trial.	

**Personal Injury Damages—Texts and Periodicals**

DMG-TP

A multibase containing all documents from the following databases: Attorney Fee Awards, Third Edition (ATTFEEAW); Comparative Negligence Manual (COMPNEGMAN); Defamation : A Lawyer's Guide (DEFAMATION); Massachusetts Proof of Cases (MAPOC); Mississippi Law of Damages (MSLAWDAM); Punitive Damages: A State-by-State Guide to Law and Practice (PUNITIVE); Punitive Damages: Law and Practice (PDLP); Recovery for Wrongful Death (WRONGDEATH); Stein on Personal Injury Damages (STEIN); Structured Settlements 2d (STRST); and Tennessee Forms for Trial Practice—Damages (TNDAM). Also contains selected documents from the American Law Reports (ALR), Causes of Action (COA), American Jurisprudence Proof of Facts (AMJUR-POF), and American Jurisprudence Trials (AMJUR-TRIALS) databases. Coverage varies by publication.

**Preparation and Trial of Medical Malpractice Cases**

PMMC

Full text of *The Preparation and Trial of Medical Malpractice Cases*, which discusses issues such as how to recognize a meritorious case; the doctrine of alternative liability; the evidentiary value of Food and Drug Administration approval or nonapproval; the continuing treatment doctrine; state statutes regarding motion practice; the malpractice liability of alternative medical practitioners; the violation of the duty to disclose information; contributory negligence in informed consent; distinguishing between medical malpractice and ordinary negligence; and the liability of nurses. Not available to Patron Access subscribers.

**Reference Manual on Scientific Evidence**

RMSCIEVID

Full text of *Reference Manual on Scientific Evidence*, Second Edition, a Federal Judicial Center publication.

**Texas Practice Series: Medical Malpractice**

TXPRAC-MEDMAL

Full text of the second edition of *Medical Malpractice*, which is part of the Texas Practice Series. The treatise provides a detailed analysis of Texas medical malpractice law, including discussion of the following topics: theories of liability, medical malpractice under the Texas Tort Claims Act, pleading and proving the medical negligence case, statutes of limitation, discovery, damages, wrongful death of a fetus, insurance issues, settlements, expert witnesses, defenses, summary judgment practice, medical products and devices, jury instructions, and standards of care. Sample forms are also included.

**Legal Periodicals**

Database

Identifier

**Andrews Drug Recall Litigation Reporter**

ANDRLR

Text of the *Drug Recall Litigation Reporter*, a monthly newsletter that tracks drug recall litigation around the country, including new complaints, motions, trials, and settlements; class action certifications; insurance claims and subrogation issues; new filings and pleadings in federal multidistrict litigation proceedings; activities in state courts; Food and Drug Administration (FDA) regulations; and legislation. The introduction of new drugs and the FDA approval process are also followed. ANDRLR also includes archived documents from the *DES Litigation Reporter* and *Diet Drugs Litigation Reporter*. Coverage begins with October 1996.

**Andrews Expert and Scientific Evidence Litigation Reporter**

ANESELR

Text of the *Expert and Scientific Evidence Litigation Reporter*, a monthly newsletter covering a wide range of cases, including products liability, personal injury, environmental, and criminal cases, that involve interpretation of the *Daubert* and *Frye* standards regarding the admission of expert and scientific testimony. Coverage begins with December 2003.

**Andrews Medical Devices Litigation Reporter**

ANMDLR

Text of the *Medical Devices Litigation Reporter*, which provides detailed coverage of medical device litigation involving heart catheters, breast implants, penile implants, pedicle screws and plates, pacemakers, Norplant, jaw implants, heart valves, testing and monitoring equipment, and other devices. ANMDLR also includes archived documents from the *Breast Implant Litigation Reporter*. Coverage begins with November 1996.

**Andrews Nursing Home Litigation Reporter** ANNHLTGR

Text of the *Nursing Home Litigation Reporter*, a newsletter covering the legal developments affecting nursing homes and other long-term care facilities, such as assisted-living facilities, and home health care agencies, including such issues as elder abuse and neglect, Medicare and Medicaid fraud, nursing home residents' rights statutes, and medical malpractice. Coverage begins with July 1999.

**Andrews Pharmaceutical Litigation Reporter** ANPHARLR

Text of the *Pharmaceutical Litigation Reporter*, which provides information on pharmaceutical litigation involving issues such as products liability, patent infringement, wrongful death, and FDA approval. Covers civil and criminal actions and discovery and appellate proceedings from the most important cases. Coverage begins with November 1996.

**Issues in Law and Medicine** ISSULM

Selected materials published in *Issues in Law and Medicine*, a quarterly professional journal providing technical and informational assistance to attorneys, health care professionals, and educators concerned with the legal, medical, and ethical issues in health care. Coverage begins with 1985 (vol. 1).

**Medical Malpractice Law and Strategy** MEDMALLST

A monthly publication examining legal issues in medical malpractice litigation. Coverage begins with March 1995.

**West's Medical Malpractice Law Report** ANMEDMALR

Full-text articles from *West's® Medical Malpractice Law Report*, a newsletter covering court rulings, ongoing litigation, and tort reform legislation pertaining to medical malpractice. The newsletter focuses on those states with the largest volume of litigation, including California, Texas, Florida, New York, and Pennsylvania. Coverage begins with June 2005.

## Medical Information

Database Identifier

**Medical-Legal Information Texts and Periodicals** MLI-TP

Combination of the following databases: Attorneys Medical Advisor (MEDADV), Attorneys Medical Atlas (AMA-ATLAS), Attorneys Medical Deskbook 4th (MEDDESK), Cited MEDLINE Abstracts (MEDLINEAB), International Classification of Diseases, Ninth Revision, Clinical Modification (ICD9-CM), Physicians' Desk Reference (PDR), Selected MEDLINE Abstracts (SELECTMEDLINE), and Stedman's Medical Dictionary (STEDMANS). Coverage varies by source.

**American Journal of Clinical Oncology** AMJCONCOLOGY

Full-text articles from the *American Journal of Clinical Oncology*, the official journal of the American College of Radiation Oncology, which presents the latest pathologic, surgical, and clinical data related to medical and surgical treatment of metastatic and neoplastic diseases and localized tumors. Coverage begins with 1996. Not available to law school subscribers.

**American Journal of Physical Medicine and Rehabilitation** AMJPMEDREHAB

Full-text articles from the *American Journal of Physical Medicine and Rehabilitation*, the official journal of the Association of Academic Physiatrists, which focuses on the practice, research, and educational aspects of physical medicine and rehabilitation, providing peer-reviewed articles on the optimal functional restoration of patients with disabilities, physical treatment of neuromuscular impairments, and the use of electrodiagnostic studies. Coverage begins with 1996. Not available to law school subscribers.

**Annals of Surgery** ANNSURG

Full-text article from the *Annals of Surgery*, which provides information on significant contributions to the advancement of surgical science and practice. Special editorial features include "Advances in Surgical Technique," which provides up-to-the-minute coverage of current clinical issues, and monthly review articles that cover the most current practice concerns. Coverage begins with 1996. Not available to law school subscribers.

<b>Attorneys Medical Advisor</b>	MEDADV
Text of <i>Attorneys Medical Advisor</i> , which provides comprehensive, plain-language medical explanations for use in preparing for litigation, including information on normal anatomy and physiology of the human body; birth, growth, and aging processes; diagnostic techniques; treatment procedures; trauma; and mental and physical impairments. Citations to medical literature are linked to MEDLINE abstracts in the MEDLINEAB database. Not available to law school subscribers.	
<b>Attorneys Medical Atlas</b>	AMA-ATLAS
A companion to the MEDADV database, AMA-ATLAS contains more than 600 full-color anatomical illustrations that can be used to view normal anatomy, diseases, traumatic injuries, and treatments. Illustrations are available in three formats: 1) as watermarked illustrations for viewing only; 2) as illustrations that can be downloaded and then printed without a watermark; and 3) as an interactive electronic product that can be viewed and customized in Smart Labels software.	
<b>Attorneys Medical Deskbook 4th</b>	MEDDESK
Full text of <i>Attorneys Medical Deskbook 4th</i> , which covers all aspects of a medical–legal case. Includes client and expert witness interview forms, medical abbreviations and terminology, and a drug finder.	
<b>Attorneys Medical Deskbook: Medical Abbreviations</b>	MEDABREV
A list of more than 5,000 abbreviations and symbols used in medical records that are excerpted from <i>Attorneys Medical Deskbook 4th</i> .	
<b>Baum’s Textbook of Pulmonary Disease, Seventh Edition</b>	LWW-PULMD
Full text of <i>Baum’s Textbook of Pulmonary Disease</i> , Seventh Edition, which contains information needed to understand, diagnose, and manage pulmonary disease. Written by more than 100 international experts, the textbook focuses on the clinical aspects of treating pulmonary disease and includes evidence-based content and numerous practical examples. Not available to law school subscribers.	
<b>Blausen Medical Illustrations–Premier Collection</b>	BLAUSEN-PR
Medical illustrations of interest to the personal injury and medical malpractice attorney, including spinal surgeries, birth injuries, and many other highly specialized topics. Illustrations are available in three formats: 1) as watermarked illustrations for viewing only; 2) as illustrations that can be downloaded and then printed without a watermark; and 3) as interactive electronic product that can be viewed and customized in Smart Labels software. Not available to law school subscribers.	
<b>Bonica’s Management of Pain, Third Edition</b>	LWW-PAIN
Full text of <i>Bonica’s Management of Pain</i> , Third Edition, which takes a comprehensive and practical approach to all areas of pain management. From cancer and surgical pain to visceral pain, this book covers diseases, treatments, causes, and effects. The first of three parts covers the fundamental aspects of pain and its anatomical, physiological, and psychological bases. The second part addresses the techniques that alleviate pain. The third part consists of clinical impressions and observations of diseases and disorders with painful syndromes. Not available to law school subscribers.	
<b>Cancer: Principles and Practice of Oncology, Seventh Edition</b>	LWW-CANCER
Full text of <i>Cancer: Principles and Practice of Oncology</i> , Seventh Edition, which discusses the latest breakthroughs in molecular biology, cancer prevention, and multimodality treatment of every cancer type. Not available to law school subscribers.	
<b>Cited MEDLINE Abstracts</b>	MEDLINEAB
Compilation of MEDLINE abstracts that are cited in <i>Attorneys Medical Advisor</i> , a looseleaf service providing comprehensive, plain-language medical explanations for use in preparing for litigation. For the text of <i>Attorneys Medical Advisor</i> , see the MEDADV database.	
<b>Clinical Anesthesia, Fifth Edition</b>	LWW-ANESTH
Full text of <i>Clinical Anesthesia</i> , Fifth Edition, a comprehensive guide to the current practice of perioperative medicine and anesthesia. More than 100 experts cover every aspect of clinical anesthesia. Not available to law school subscribers.	

<b>Clinical Environmental Health and Toxic Exposures, Second Edition</b>	LWW-ENVIR
Full text of <i>Clinical Environmental Health and Toxic Exposures</i> , Second Edition, a comprehensive and authoritative text on environmental toxicology. The book provides the information that health professionals need to prevent environmental health problems, plan for emergencies, and evaluate toxic exposures in patients and examines all known toxins and environmental health hazards. Topics covered include safety, regulatory, and legal issues; clinical toxicology of specific organ systems; emergency medical response to hazardous materials releases; and hazards of specific industries and locations. Not available to law school subscribers.	
<b>Clinical Laboratory Medicine, Second Edition</b>	LWW-CLINLAB
Full text of <i>Clinical Laboratory Medicine</i> , Second Edition, which provides comprehensive coverage of contemporary laboratory medicine. The book contains more than 70 chapters on topics such as medical laboratory ethics, point-of-care testing, bone marrow transplantation, specimen testing, molecular diagnostics, cytogenetics, laboratory management, and the interpretation and clinical significance of laboratory tests. Not available to law school subscribers.	
<b>Danforth's Obstetrics and Gynecology, Ninth Edition</b>	LWW-OBGYN
Full text of <i>Danforth's Obstetrics and Gynecology</i> , Ninth Edition, which focuses on the modern clinical practice of obstetrics and gynecology. Not available to law school subscribers.	
<b>Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition (Text Revision)</b>	DSM-IV-TR
Full text of the <i>Diagnostic and Statistical Manual of Mental Disorders</i> , Fourth Edition, Text Revision, which contains the American Psychiatric Association's standards for the classification and diagnosis of mental disorders. Not available to law school subscribers.	
<b>DISEASEDEX</b>	DISDEX
All documents from the DISEASEDEX Emergency Medicine (DISDEX-EM) and DISEASEDEX General Medicine (DISDEX-GM) databases. Not available to law school subscribers.	
<b>DISEASEDEX Emergency Medicine</b>	DISDEX-EM
The DISEASEDEX Emergency Medicine System is a database providing medical information for rapid diagnosis and treatment in urgent and acute care settings, such as emergency departments of hospitals. It contains extensive data on everything from common emergencies (e.g., stroke) to unusual disorders (e.g., Reye's Syndrome). Not available to law school subscribers.	
<b>DISEASEDEX General Medicine</b>	DISDEX-GM
The DISEASEDEX General Medicine System is a database providing evidence-based etiology and treatment information for medical conditions along with recommendations for appropriate care. Not available to law school subscribers.	
<b>Dorland's Medical and Healthcare Marketplace Guide: Reports</b>	MHMG-REP
Information on trends, developments, scientific advancements, and company activities in every segment of the medical and health care industry, including the pharmaceutical, medical device, and biotechnology sectors. Not available to law school subscribers.	
<b>DRUGDEX Consults</b>	DRUGDEX-CON
Documents from the DRUGDEX System that present answers to specific drug information questions, such as use of certain drugs during pregnancy or contraindications for the use of certain drugs. Information is provided for investigational, international, FDA-approved, and nonprescription drugs. Not available to law school subscribers.	
<b>DRUGDEX Evaluations</b>	DRUGDEX-EV
Documents from the DRUGDEX System that evaluate various generic and brand name drugs. Topics covered include dosage, pharmacokinetics, cautions, interactions, FDA-approved indications, off-label uses, clinical applications, generic names and synonyms, adverse effects, and comparative drug efficacy. Not available to law school subscribers.	
<b>DrugPoints System</b>	DRUGPOINT
Documents from the DrugPoints System, which provides summary drug information, including dosage, drug interactions, adverse effects, pregnancy warnings, indications, cautions, therapeutic classes, and brand information. Not available to law school subscribers.	

<b>ECRI Health Devices Alerts</b>	ECRI-HD
Reports of medical device problems, hazards, and recalls and summaries of medical journal articles associated with the medical devices from the <i>ECRI Health Devices Alerts</i> newsletter. Coverage begins with April 1977. Not available to law school subscribers.	
<b>ECRI Health Devices Journal</b>	ECRI-HDJ
A monthly publication providing detailed brand-name evaluations of medical devices and systems, as well as hazard alerts and guidance articles. Coverage is current through January 2007.	
<b>ECRI International Health Technology Assessment</b>	ECRI-IHTA
Bibliographic citations and abstracts, as well as selected full-text articles, from literature on health care technologies, including practice guidelines and standards of care; legal briefs; manufacturers' studies, technical reports, and monographs published by public and private organizations; technical and clinical periodicals; and meeting abstracts, background papers, and health policy reports. Coverage begins with 1990. Not available to law school subscribers.	
<b>ECRI Technology Assessment Resource Guide to Emerging Technologies</b>	ECRI-TARGET
Text of the <i>ECRI Technology Assessment Resource Guide to Emerging Technologies</i> , which provides insights on new and emerging health care technologies (devices, drugs, biotechnologies, procedures, and information systems), including those technologies still in development. Not available to law school subscribers.	
<b>ECRI Windows on Medical Technology</b>	ECRI-MEDTECH
Evidence reports on drugs, devices, and procedures that provide an overview of emerging medical technologies. Each report describes a medical intervention or service, the condition for which it is used and the target population, the evidence base, an analysis of the literature, and more. Coverage is current through January 2007.	
<b>Endocrinologist</b>	ENDOCRINJ
Full-text articles from the <i>Endocrinologist</i> , a journal providing peer-reviewed information about new discoveries in endocrinology, diabetes, metabolism, reproduction, and growth and development. Coverage begins with 2001. Not available to law school subscribers.	
<b>Fundamentals of Diagnostic Radiology, Third Edition</b>	LWW-RADIOL
Full text of the <i>Fundamentals of Diagnostic Radiology</i> , Third Edition, a comprehensive review of radiology, which guides you through the application and interpretation of all imaging modalities. The book covers all 10 subspecialties of radiology and the broad range of technologic advances that have occurred over the past decade. Not available to law school subscribers.	
<b>Gale Encyclopedia of Cancer</b>	GALE-CANCR
Full text of the <i>Gale Encyclopedia of Cancer</i> , Second Edition, which provides information on 120 cancers, cancer drugs, traditional and alternative treatments, and diagnostic procedures. Entries are standardized for ease of comparison, and each entry typically includes a definition, causes and symptoms, description, diagnosis, prevention, resources, risks, and special concerns. The encyclopedia also includes a glossary of medical terms and contact information for cancer centers, national support groups, government agencies, and research groups. Not available to law school subscribers.	
<b>Gale Encyclopedia of Medicine</b>	GALE-MED
Full text of the <i>Gale Encyclopedia of Medicine</i> , Second Edition, a comprehensive in-depth medical guide that provides information on medical topics in language accessible to laypersons. It contains articles on diseases and disorders as well as tests and treatments. Not available to law school subscribers.	
<b>Gale Encyclopedia of Neurological Disorders</b>	GALE-NEURO
Full text of the <i>Gale Encyclopedia of Neurological Disorders</i> , which provides in-depth coverage of neurological diseases and disorders, including stroke, Parkinson's disease, Alzheimer's disease, dementia, cerebral palsy, vertigo, amnesia, and epilepsy. Not available to law school subscribers.	

<b>Gale Encyclopedia of Surgery</b>	GALE-SURG
<p>Full text of the <i>Gale Encyclopedia of Surgery</i>, which provides in-depth coverage of approximately 450 surgical procedures and related topics, such as anesthetics, medications, and postoperative care. Entries for surgical procedures follow a consistent format, covering definition, purpose, demographic information, diagnosis and preparation, aftercare, risks, morbidity and mortality rates, alternatives, and more. Not available to law school subscribers.</p>	
<b>Harwood-Nuss' Clinical Practice of Emergency Medicine, Fourth Edition</b>	LWW-EMERG
<p>Full text of <i>Harwood-Nuss' Clinical Practice of Emergency Medicine</i>, Fourth Edition, a clinically focused text that covers all aspects of emergency medicine. Not available to law school subscribers.</p>	
<b>Health News</b>	HTHNEWS
<p>News and information about health-related topics from newspapers, magazines, journals, newsletters, transcripts, and wires. Topics include health care policy, drug retailers and wholesalers, health care providers, medical devices and supplies, pharmaceuticals, tobacco, the FDA, and the Department of Health and Human Services. Coverage varies by source.</p>	
<b>Infectious Diseases, Third Edition</b>	LWW-INFECTD
<p>Full text of <i>Infectious Diseases</i>, Third Edition, which provides comprehensive guidelines on the diagnosis, treatment, and prevention of every infectious disease seen in current clinical practice. More than 300 practitioners detail the full range of clinical infections, microbial agents, viruses, mycobacteria, fungi, and parasites and describe all contemporary diagnostic tests, antimicrobial therapies, and prophylactic measures. The book includes chapters on surgical infections and information on HIV infection. A comprehensive antimicrobial drugs section includes tables that provide information on mechanisms of action, side effects, indications, and dosages. Not available to law school subscribers.</p>	
<b>International Classification of Diseases, Ninth Revision, Clinical Modification</b>	ICD9-CM
<p>Full text of the <i>International Classification of Diseases, Ninth Revision, Clinical Modification</i> (ICD-9-CM), the official system used in assigning codes to diagnoses and procedures associated with hospital utilization in the United States. ICD-9-CM codes are required for reporting diagnoses and diseases to all U.S. Public Health Service and Centers for Medicare and Medicaid Services programs.</p>	
<b>Investigative Radiology</b>	INVESTGRADIOL
<p>Full-text articles from <i>Investigative Radiology</i>, a journal that publishes original, peer-reviewed reports on clinical and laboratory investigations in diagnostic imaging, the diagnostic use of radioactive isotopes, computed tomography, positron emission tomography, magnetic resonance imaging, ultrasound, digital subtraction angiography, and related modalities. Coverage begins with 1996. Not available to law school subscribers.</p>	
<b>Irwin and Rippe's Intensive Care Medicine, Fifth Edition</b>	LWW-ICMED
<p>Full text of <i>Irwin and Rippe's Intensive Care Medicine</i>, Fifth Edition, which provides practical guidance on adult patient care in the intensive care unit. The book covers both medical and surgical intensive care and includes a how-to atlas of procedures and techniques and an appendix of calculations used in critical care. Topics covered include cardiovascular problems, coronary care, surgical problems, shock and trauma, metabolism and nutrition, hematology, pharmacology and toxicology, ethical issues, and health care reform and cost containment. Not available to law school subscribers.</p>	
<b>Journal of Clinical Gastroenterology</b>	JCGASTRO
<p>Full-text articles from the <i>Journal of Clinical Gastroenterology</i>, which provides peer-reviewed articles, clinical studies, case reports, and technical expertise on gastroenterology. Coverage begins with 1996. Not available to law school subscribers.</p>	
<b>Kaplan and Sadock's Comprehensive Textbook of Psychiatry, Eighth Edition</b>	LWW-PSY
<p>Full text of <i>Kaplan and Sadock's Comprehensive Textbook of Psychiatry</i>, Eighth Edition, which include definitions and diagnostic criteria of mental disorders used in the International Classification of Diseases, 10th Revision (ICD-10) and the Diagnostic and Statistical Manual of Mental Disorders, Fourth Edition, Text Revision. Not available to law school subscribers.</p>	

<b>Kelley's Textbook of Internal Medicine, Fourth Edition</b>	LWW-INTMED
Full text of <i>Kelley's Textbook of Internal Medicine</i> , Fourth Edition, which focuses on evaluation and workup, with descriptions of disease-specific entities and indications for referrals and hospitalizations highlighted. Evidence-based algorithms detail patient management. Not available to law school subscribers.	
<b>Medical Device Definitions</b>	MED-DEVICE
Definitions of medical devices as compiled in the National Library of Medicine's Unified Medical Language System. Not available to law school subscribers.	
<b>Medicine</b>	MEDICINE
Full-text articles from <i>Medicine</i> , a journal providing insight from leading scholars about the latest results in clinical investigation. Relevant to both hospital and office practice, the journal includes analytical reviews of topics in internal medicine, dermatology, neurology, pediatrics, and psychiatry. Coverage begins with 1996. Not available to law school subscribers.	
<b>MEDLINE Abstracts</b>	MEDLINE-ALL
A database produced by National Library of Medicine that contains more than 15 million bibliographic references to journal articles in the life sciences, with a concentration in biomedicine. Coverage begins with 1900. Not available to law school subscribers.	
<b>Merritt's Neurology, 11th Edition</b>	LWW-NEURO
Full text of <i>Merritt's Neurology</i> , 11th Edition, which provides the essentials concerning signs and symptoms, diagnostic tests, and neurologic disorders of all sources and causes. Not available to law school subscribers.	
<b>Neurosurgery</b>	NEUROSURJ
Full-text articles from <i>Neurosurgery</i> , the official journal of the Congress of Neurological Surgeons. Coverage begins with 1996. Not available to law school subscribers.	
<b>Oski's Pediatrics: Principles and Practice, Fourth Edition</b>	LWW-PED
Full text of <i>Oski's Pediatrics: Principles and Practice</i> , Fourth Edition, a comprehensive guide to the current practice of pediatrics. It includes chapters on complementary and alternative medicine, genetics in primary care, and infant and child behavior and development. Not available to law school subscribers.	
<b>Patterson's Allergic Diseases, Sixth Edition</b>	LWW-ALLERG
Full text of <i>Patterson's Allergic Diseases</i> , Sixth Edition, a clinical reference on allergic disorders. It provides guidance on identifying an allergy, confirming a diagnosis, and finding effective therapies. Topics covered include latex allergy, radiologic evaluation of allergic diseases, physiologic assessment of pulmonary allergies, evaluation of eosinophilia, inhaler devices, glucocorticoids, beta agonists, other antiallergic drugs, novel therapies, immunodeficiency workup, allergic disorders and psychiatric dysfunction, chronic sinusitis, drug allergies, and management of asthma in the intensive care unit. Not available to law school subscribers.	
<b>Physical Medicine and Rehabilitation: Principles and Practice, Fourth Edition</b>	LWW-REHAB
Full text of <i>Physical Medicine and Rehabilitation: Principles and Practice</i> , Fourth Edition, which addresses the full range of issues in contemporary physical medicine and rehabilitation and presents state-of-the-art patient management strategies, with an emphasis on evidence-based recommendations. Not available to law school subscribers.	
<b>Physicians' Desk Reference</b>	PDR
The current edition of the <i>Physicians' Desk Reference</i> (PDR), which contains information on prescription drugs. The PDR provides complete prescribing information, including a description of the drug; information on clinical pharmacology, indications and usage, contraindications, precautions, adverse reactions, drug abuse and dependence, overdose, dosage and administration, and how the drug is supplied; and all other FDA-required information.	

<b>Physicians' Desk Reference: Nonprescription Drugs</b>	PDR-NPD
<b>Physicians' Desk Reference: Nonprescription Drugs 2006</b> Current electronic version of the <i>PDR for Nonprescription Drugs and Dietary Supplements</i> , which provides data on drug interactions, side effects, dosages, uses, and contraindications and other drug information. Not available to law school subscribers.	PDR-NPD2006
<b>Physicians' Desk Reference: Prescription Drugs 2006</b>	PDR2006
<b>Physicians' Desk Reference 2005</b>	PDR2005
<b>Physicians' Desk Reference 2004</b>	PDR2004
<b>Physicians' Desk Reference 2003</b> Previous editions of the PDR, which contain information on prescription and nonprescription drugs.	PDR2003
<b>Plastic and Reconstructive Surgery</b> Full-text articles from <i>Plastic and Reconstructive Surgery</i> , the official journal of the American Society of Plastic Surgeons, which reports on the latest techniques and follow-up for maxillofacial reconstruction, burn repair, cosmetic reshaping, and other plastic surgery topics. Coverage begins with 1996. Not available to law school subscribers.	PLASTICSURGJ
<b>Primary Care Medicine: Office Evaluation and Management of the Adult Patient, Fifth Edition</b> Full text of <i>Primary Care Medicine: Office Evaluation and Management of the Adult Patient</i> , Fifth Edition, which provides guidance on medical diagnosis, laboratory tests, and treatment options in the primary care setting. Not available to law school subscribers.	LWW-PRIMC
<b>Red Book: Pharmacy's Fundamental Reference</b> Current edition of the <i>Red Book: Pharmacy's Fundamental Reference</i> , which provides product information, such as brand name, generic name, route of administration, package, dosage strength, and manufacturer, for more than 100,000 prescription, nonprescription, and nondrug items. Not available to law school subscribers.	REDBOOK-PFR
<b>Rockwood and Green's Fractures in Adults, Sixth Edition</b> Full text of <i>Rockwood and Green's Fractures in Adults</i> , Sixth Edition, a treatise on the treatment of bone and joint injuries. More than 80 authorities provide comprehensive coverage of all bone and joint injuries, thoroughly discuss alternative methods for treating each injury, and present their own preferred methods. Not available to law school subscribers.	LWW-FRACT
<b>Selected MEDLINE Abstracts</b> Compilation of selected MEDLINE abstracts. Coverage begins with 1966.	SELECTMEDLINE
<b>SciSearch: Science Citation Index Expanded</b> Bibliographic information, author abstracts, and cited references from articles found in 3,800 of the world's leading scholarly science and technical journals covering more than 100 disciplines. Coverage begins with 1974.	SCISEARCH-EXP
<b>Stedman's Medical Dictionary</b> Text of <i>Stedman's Medical Dictionary</i> , 27th Edition, which contains more than 102,000 medical terms, including a definition, pronunciation guide, and word etymology for each term.	STEDMANS
<b>Sternberg's Diagnostic Surgical Pathology, Fourth Edition</b> Full text of <i>Sternberg's Diagnostic Surgical Pathology</i> , Fourth Edition, which presents the most advanced diagnostic techniques and the latest information on all currently known disease entities. More than 90 surgical pathologists offer expert advice on the diagnostic evaluation of every type of specimen from every anatomic site. Not available to law school subscribers.	LWW-PATH
<b>Textbook of Cardiovascular Medicine, Second Edition</b> Full text of the <i>Textbook of Cardiovascular Medicine</i> , Second Edition, which provides a comprehensive, contemporary view of every area of cardiovascular medicine—preventive cardiology, clinical cardiology, cardiovascular imaging, electrophysiology and pacing, invasive cardiology and surgical techniques, heart failure and transplantation, molecular cardiology, and vascular biology and medicine. Not available to law school subscribers.	LWW-CARDIO

**Textbook of Disorders and Injuries of the Musculoskeletal System, Third Edition**

LWW-MUSCUL

Full text of the *Textbook of Disorders and Injuries of the Musculoskeletal System*, Third Edition, which provides guidance on the diagnosis and treatment of musculoskeletal diseases and injuries. Among the subjects covered are orthopedics, fractures, rheumatology, metabolic bone disease, and rehabilitation. Not available to law school subscribers.

---

**Washington Manual of Surgery, Fourth Edition**

LWW-WASURG

Full text of *Washington Manual of Surgery*, Fourth Edition, a guide to surgery with recommendations of appropriate surgical and medical interventions. Not available to law school subscribers.
