

Personal Injury Databases

Current through October 10, 2008

Personal injury databases on Westlaw contain documents that relate to civil actions for injuries intentionally or negligently caused to persons. Among the subjects covered are the following:

- negligence
- medical malpractice
- premises liability
- motor vehicle accidents
- defamation
- trespass
- infliction of emotional distress or intentional harm
- punitive damages
- claims against governments or their officers or employees

In addition to primary law materials, personal injury databases on Westlaw contain leading texts, treatises, and practice guides; legal journals and newsletters; verdict and settlement summaries; and medical information databases.

Note: Products liability databases are listed in *Westlaw Database List: Products Liability Databases*. Litigation databases are listed in *Westlaw Database List: Litigation Databases*. These and other topical database lists are available at no charge at west.thomson.com/westlaw/guides.

For assistance using Westlaw, call 1-800-WESTLAW (1-800-937-8529).

Pennsylvania Medical Malpractice Briefs Multibase Selected briefs relating to medical malpractice. Coverage begins with 1994.	PA-MM-BRIEF-ALL
Pennsylvania Personal Injury Briefs Multibase Selected briefs relating to personal injury law. Coverage begins with 1994.	PA-PI-BRIEF-ALL
Texas Medical Malpractice Briefs Multibase Selected briefs relating to medical malpractice. Coverage begins with 1997.	TX-MM-BRIEF-ALL
Texas Personal Injury Briefs Multibase Selected briefs relating to personal injury law. Coverage begins with 1997.	TX-PI-BRIEF-ALL

Litigation Reports and Current Developments

DATABASE	IDENTIFIER
ABA Environmental Litigation and Toxic Torts Committee Newsletter Full-text articles from the <i>Environmental Litigation and Toxic Torts Committee Newsletter</i> , which is published by the American Bar Association's (ABA's) Section of Environment, Energy, and Resources. Coverage begins with 2001.	ABAELTTCN
Andrews Publications Multibase Andrews litigation reporters cover the latest developments in selected areas of litigation. The ANDREWS database contains all the litigation reporters from Andrews currently available on Westlaw. Coverage varies by publication. Each publication is also available in its own database. Databases with content closely related to personal injury litigation are listed below.	ANDREWS
Andrews Asbestos Litigation Reporter	ANASBLR
Andrews Automotive Litigation Reporter	ANAUTOLR
Andrews Aviation Litigation Reporter	ANAVIALR
Andrews Class Action Litigation Reporter	ANCALR
Andrews Drug Recall Litigation Reporter	ANDRLR
Andrews Environmental Litigation Reporter	ANENVLR
Andrews Expert and Scientific Evidence Litigation Reporter	ANESELR
Andrews Health Law Litigation Reporter	ANHLLR
Andrews Insurance Coverage Litigation Report	ANINSCLR
Andrews Medical Devices Litigation Reporter	ANMDLR
Andrews Nursing Home Legal Insider	ANNHLI
Andrews Nursing Home Litigation Reporter	ANNHLTGR
Andrews Pharmaceutical Litigation Reporter	ANPHARLR
Andrews Sexual Harassment Litigation Reporter	ANSEXHLR
Andrews Tobacco Industry Litigation Reporter	ANTILR
Andrews Toxic Torts Litigation Reporter	ANTOXLR
Medico-Legal Watch	ANMEDLW
West's Medical Malpractice Law Report	ANMEDMALR

BNA Toxics Law Reporter	BNA-TLR
A weekly publication that reports on and analyzes developments in toxic tort and hazardous waste law. Coverage begins with November 1997. Not available to law school subscribers.	
Medical Malpractice Law and Strategy	MEDMALLST
A monthly publication examining legal issues in medical malpractice litigation. Coverage begins with March 1995.	
Premises Liability Alert	PLALT
A monthly newsletter containing articles and summaries of cases relating to premises liability. Topics covered include slip and fall injuries, retail premises liability, inadequate security, "sick buildings," nuisance, and recreational use statutes. Coverage begins with November 2003.	

Jury Verdicts and Settlement Summaries

DATABASE	IDENTIFIER
Combined Jury Verdicts and Settlements	JV-ALL
Summaries of jury verdicts, judgments, settlements, and arbitration awards from around the country. This database combines summaries supplied by ALM Properties, Florida Legal Periodicals, JAS Publications, Jury Verdicts Northwest, LRP Publications, Trials Digest Publishing, West, and other publishers. Coverage varies by source. Combined summaries for 10 individual states (FL, IL, KS, MO, NJ, NM, NY, OH, PA, and TX) are also found in databases with the identifier XX-JV-ALL, where XX is a state's two-letter postal abbreviation. Combined summaries for California are found in CA-JV-COMB. JV-ALL is not available to law school subscribers.	
Individual State Jury Verdicts Combined	XX-JV
Summaries of jury verdicts, judgments, settlements, and arbitration awards from federal and state proceedings in each of the 50 states and the District of Columbia. XX is a state's two-letter postal abbreviation. Combined summaries for California are found in CA-JV-ALL. Coverage varies by source.	
Personal Injury Jury Verdicts and Settlement Summaries	JV-PI
Jury verdict and settlement summaries relating to personal injury law. The summaries consist of information such as case type; geographic area where a case was tried or settled; names of parties, attorneys, and expert witnesses; factual information about the case; and verdict or settlement amount. Coverage begins with 1990.	
Stein on Personal Injury Damages—Digest of Awards	STEIN-DIG
Full text of the awards digest sections of <i>Stein on Personal Injury Damages</i> , Third Edition. The awards digest sections categorize reported personal injury cases by the major body part or system injured and by the action taken by the reviewing court. Reports on cases include the amounts awarded, the injuries sustained, and the circumstances of the accident.	
Verdicts, Settlements, and Tactics	VST
Text of <i>Verdicts, Settlements, and Tactics</i> , a monthly newsletter with summaries of verdicts and settlements in personal injury cases. Full coverage begins with 1988 (vol. 8).	

General Legal Texts and Periodicals

DATABASE	IDENTIFIER
Tort Law—Law Reviews, Texts, and Bar Journals	TRT-TP
Documents from law reviews, texts, continuing legal education (CLE) course materials, bar journals, and legal practice-oriented periodicals that relate to civil actions for injuries intentionally or negligently caused to persons or property. Coverage varies by publication.	

<p>Medical Malpractice Texts and Periodicals</p> <p>Combination database that includes documents from the following databases: ALR–Medical Malpractice (MM-ALR); American Law of Medical Malpractice (ALMM); Am Jur® Pleading and Practice Forms–Medical Malpractice (MM-PP); Am Jur Proof of Facts–Medical Malpractice (MM-POF); Am Jur Trials–Medical Malpractice (MM-TRIALS); Causes of Action–Medical Malpractice (MM-COA); Massachusetts Proof of Cases (MAPOC); Medical Malpractice: Checklists and Discovery (MEDMALCD); and West’s Medical Malpractice Law Report (ANMEDMALR). American Law of Medical Malpractice	ALMM
Full text of <i>American Law of Medical Malpractice 3d</i> , which provides an overview of the substantive law of medical malpractice. The treatise also contains strategies, procedural guidelines, and checklists.	
Am Jur Pleading and Practice Forms–Medical Malpractice	MM-PP
Full text of state and federal pleading and practice forms related to medical malpractice claims from <i>American Jurisprudence Pleading and Practice Forms Annotated</i> .	
Am Jur Pleading and Practice Forms–Motor Vehicle Accidents	MV-PP
Full text of state and federal pleading and practice forms related to motor vehicle accidents and other personal injury issues involving motor vehicles from <i>American Jurisprudence Pleading and Practice Forms Annotated</i> .	
Am Jur Pleading and Practice Forms–Premises Liability	PREMLIAB-PP
Full text of state and federal pleading and practice forms related to premises liability issues from <i>American Jurisprudence Pleading and Practice Forms Annotated</i> .	
Am Jur Proof of Facts–Medical Malpractice	MM-POF
Full text of articles related to medical malpractice from <i>American Jurisprudence Proof of Facts</i> . Coverage is current through the most recent supplements for the First, Second, and Third series.	
Am Jur Proof of Facts–Motor Vehicle Accidents	MV-POF
Full text of articles related to motor vehicle accidents and other personal injury issues involving motor vehicles from <i>American Jurisprudence Proof of Facts</i> . Coverage is current through the most recent supplements for the First, Second, and Third series.	
Am Jur Proof of Facts–Personal Injury Damages	DMG-POF
Full text of articles related to damages awarded for personal injuries from <i>American Jurisprudence Proof of Facts</i> . Coverage is current through the most recent supplements for the First, Second, and Third series.	
Am Jur Proof of Facts–Premises Liability	PREMLIAB-POF
Full text of articles related to premises liability issues from <i>American Jurisprudence Proof of Facts</i> . Coverage is current through the most recent supplements for the First, Second, and Third series.	
Am Jur Trials–Medical Malpractice	MM-TRIALS
Full text of articles from <i>American Jurisprudence Trials</i> related to medical malpractice claims.	
Am Jur Trials–Motor Vehicle Accidents	MV-TRIALS
Full text of articles from <i>American Jurisprudence Trials</i> related to motor vehicle accidents and other personal injury issues involving motor vehicles.	
Am Jur Trials–Personal Injury Damages	DMG-TRIALS
Full text of articles from <i>American Jurisprudence Trials</i> related to damages awarded for personal injuries.	
Am Jur Trials–Premises Liability	PREMLIAB-TRIALS
Full text of articles from <i>American Jurisprudence Trials</i> related to litigating premises liability issues.	
Attorney Fee Awards, Third Edition	ATTFEEAW
Full text of <i>Attorney Fee Awards</i> , Third Edition, which discusses statutory, common fund, substantial (or common) benefit, and sanction-based fee awards in a wide range of practice areas. The treatise also includes detailed fee award charts.	

<p>Automobile Liability Insurance 4th</p> <p>Full text of <i>Automobile Liability Insurance 4th</i>, a comprehensive guide to the laws of automobile liability insurance, including no-fault insurance and uninsured and underinsured motorist coverage in every U.S. jurisdiction. The treatise analyzes state financial responsibility laws, no-fault provisions, and enforcement claims, as well as coverage requirements, exemptions, exclusions, and conditions. Newly revised chapters provide expanded treatment of subjects such as conflict of laws, enforcement of no-fault claims, arbitration, uninsured and underinsured motorist coverage, and bad faith actions.</p>	AUTOLIAINS
<p>Aviation Tort and Regulatory Law</p> <p>Text of the treatise <i>Aviation Tort and Regulatory Law</i>, Second Edition, which covers the substantive and procedural issues that arise from major commercial, noncommercial, corporate, and military aircraft accidents and associated injuries and fatalities. The treatise also covers federal and state aviation statutes and federal aviation regulations. Topics discussed include when, where, how, and whom to sue; statutes of limitation; the kinds of negligence and defenses; the liability of U.S. and foreign governments; and aviation hull (physical damage) policies.</p>	AVIATION
<p>BNA Health Law and Business Portfolios: Emergency Medical Treatment and Active Labor Act: Practical Tips and Legal Issues</p> <p>Text of BNA's Portfolio No. 2900, which analyzes the Emergency Medical Treatment and Active Labor Act, 42 U.S.C. §1395dd (at times referred to as the Federal Patient Anti-Dumping Act) that requires hospitals participating in the Medicare program to provide all individuals who come to the hospital emergency room seeking evaluation and treatment an appropriate medical screening and, if an emergency medical condition exists, to provide necessary stabilizing treatment or an appropriate transfer. The portfolio focuses on prevention, highlights key compliance problems, and suggests practical, experience-based approaches to avoiding violations of the Act. Not available to law school subscribers.</p>	BNAHLB-EMT
<p>Boumil, Elias, and Moes' The Law of Medical Liability in a Nutshell</p> <p>Full text of <i>The Law of Medical Liability in a Nutshell</i>, Second Edition, which offers insight on establishing professional relationships and examines negligence-based claims, intentional torts, causation, damages, affirmative defenses, limitations, immunities, and liabilities. Not available to law school subscribers.</p>	MEDLB-NS
<p>Brief</p> <p>Selected documents from <i>Brief</i>, published by the ABA's Tort Trial and Insurance Section. Coverage begins with 1982 (vol. 11).</p>	BRIEF
<p>Causes of Action—Medical Malpractice</p> <p>Full text of articles from <i>Causes of Action</i> related to medical malpractice claims.</p>	MM-COA
<p>Causes of Action—Motor Vehicle Accidents</p> <p>Full text of articles from <i>Causes of Action</i> related to motor vehicle accidents and other personal injury issues involving motor vehicles.</p>	MV-COA
<p>Causes of Action—Personal Injury Damages</p> <p>Full text of articles from <i>Causes of Action</i> related to damages awarded for personal injuries.</p>	DMG-COA
<p>Causes of Action—Premises Liability</p> <p>Full text of articles from <i>Causes of Action</i> related to litigating premises liability issues.</p>	PREMLIAB-COA
<p>Civil Actions Against State and Local Government: Its Divisions, Agencies, and Officers</p> <p>Full text of <i>Civil Actions Against State and Local Government: Its Divisions, Agencies, and Officers</i>, which focuses on tort immunity and the liability of state and local government entities and employees under state law. It also discusses the types of claims that may be brought against state and local governments and employees under color of federal law, especially alleged civil rights violations.</p>	STATCIVAC

Civil Actions Against the United States, Its Agencies, Officers, and Employees	USCIVAC
Full text of <i>Civil Actions Against the United States, Its Agencies, Officers, and Employees</i> , a treatise that focuses on actions against the United States, including discussion of tort immunity, the liability of federal government entities and employees, and the types of claims that may be brought against the federal government and its employees under color of federal law.	
Comparative Negligence Manual	COMPNEGMAN
Full text of the <i>Comparative Negligence Manual</i> , which explains the basic principles of comparative negligence and its effect on other doctrines such as assumption of risk, the seat belt defense, contribution and indemnity, and strict liability and products liability. The treatise also discusses relevant court procedures, releases, motions, pleadings, jury instructions, verdicts, and settlements, and contains a state-by-state analysis of the law of comparative negligence and model forms.	
Construction Accident Litigation	CONACCLIT
Full text of <i>Construction Accident Litigation</i> , which examines litigation arising from construction accidents, including liability of owners, contractors, design professionals, and material and equipment suppliers; indemnity issues; insurance; accident investigations and discovery; and the role of expert witnesses.	
Cross-Examining Experts in the Behavioral Sciences	BEHSCI
Text of <i>Cross-Examining Experts in the Behavioral Sciences</i> , which provides guidance on how to refute a behavioral scientist's conjecture and speculation to ensure favorable rulings under <i>Daubert</i> , <i>Kumho Tire</i> , and <i>Frye</i> standards. The treatise integrates hundreds of questioning strategies and actual questions to save you time in preparing your cases, demonstrates how to examine and challenge the expertise of mental health experts and the use of psychological tests, and details both the scientific research and the legal aspects behind a mental health expert's testimony.	
Defamation: A Lawyer's Guide	DEFAMATION
Full text of <i>Defamation: A Lawyer's Guide</i> , which analyzes libel and slander laws and explores how they apply to public figures, limited public figures, and private persons.	
Defense Counsel Journal	DEFECJ
Text of <i>Defense Counsel Journal</i> , a quarterly professional magazine providing news and information for lawyers and insurance executives engaged in civil litigation defense, including coverage of insurance, torts, and civil procedure. Selected coverage begins with 1992 (vol. 59).	
Eggen's Toxic Torts Law in a Nutshell	TOXICTORT-NS
Full text of <i>Toxic Torts in a Nutshell</i> , Third Edition, which introduces the study of toxic torts and identifies the theories of liability, including liability under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). The publication covers special defendants, defenses, causation, injuries, and damages and also addresses mass toxic torts and delves into the case of environmental tobacco smoke. Not available to law school subscribers.	
Enterprise Responsibility for Personal Injury	ALI-ENTRESP
Full text of the <i>Report to the American Law Institute of the Project on Enterprise Responsibility for Personal Injury</i> published in 1991. The first part of the report discusses the legal and social concerns that gave rise to the study in the mid-1980s and the contemporary scholarship dealing with how well various institutions—especially the tort system—have performed in addressing the human and economic problems created by personal injuries. The second part analyzes those facets of the tort system that have proved especially troublesome in recent years and presents proposals on how the tort system should evolve in the future.	
Evidence in Negligence Cases	PLIREF-NEGEVD
Text of the Practising Law Institute's (PLI's) <i>Evidence in Negligence Cases</i> , 10th Edition, a step-by-step guide to a negligence trial, including trial preparation, phases in a trial from opening statement to summation, testimony of witnesses and demonstrative evidence, and substitutes for testimony.	

<p>Expert Witness Checklists</p> <p>Full text of <i>Expert Witness Checklists</i>, Third Edition, which provides an extensive collection of checklists addressing the increase in use of expert witnesses in today's courtroom and discusses the selection of experts, pretrial use of experts, admissibility of expert testimony, and effective methods of direct and cross-examination. It also examines how cases may be lost through incomplete or misunderstood testimony, providing practice-oriented materials to get the most out of witnesses; addresses the handling of experts in specific fields, such as medicine, products liability, economic loss, accounting, and construction; and examines relevant Supreme Court decisions and revisions to the Federal Rules of Civil Procedure, incorporating recent developments in the field.</p>	EXPWITC
<p>Expert Witnesses in Civil Trials</p> <p>Full text of <i>Expert Witnesses in Civil Trials</i>, a guide to the successful use of expert witnesses in all types of civil litigation. The treatise provides sample interrogatories, in-depth commentary, and practice tips on how to effectively use expert witnesses, including how to use an expert during discovery, how to use hypothetical questions to your advantage, and how to simplify an expert witness's testimony.</p>	EXPWIT-CIV
<p>Federal Tort Claims</p> <p>Full text of <i>Federal Tort Claims</i>, which covers the law regarding tort actions against the United States. The treatise discusses general principles and their applications, examines the facts and reasoning in specific cases, and includes numerous case citations and footnotes divided by jurisdiction.</p>	FEDTORT
<p>Handbook of Personal Injury Forms and Litigation Materials</p> <p>Text of the <i>Handbook of Personal Injury Forms and Litigation Materials</i>, Second Edition, which provides the materials needed for handling cases involving auto accident injuries, products liability, premises liability, and medical malpractice. The authors take you through each step of the personal injury case, detailing how to prepare a case, address complaints, present a case at trial, handle negotiation and settlement, and conduct posttrial matters. The treatise includes sample requests for hospital records and medical bills, excerpts from depositions, settlement letters, narrative settlements, agreements for judgment, and release forms.</p>	HPIF
<p>Handling Motor Vehicle Accident Cases—Case Files</p> <p>Full text of <i>Handling Motor Vehicle Accident Cases—Case Files</i>, which contains all forms used in actual motor vehicle injury cases, including pretrial correspondence between the parties, retainer agreements, trial pleadings, and posttrial motions.</p>	HMV-CF
<p>Handling Motor Vehicle Accident Cases: Treatise and Forms, 2d</p> <p>Text of <i>Handling Motor Vehicle Accident Cases</i>, Second Edition, which provides comprehensive coverage of motor vehicle accident litigation, including theories of fault, parties to the action, time limitations, the gathering of information, discovery, evidentiary issues, proof of damages, settlement strategies and techniques, trial tactics, and accident reconstruction.</p>	HMVAC
<p>Hospital Liability</p> <p>Full text of <i>Hospital Liability</i>, which discusses issues such as health maintenance organization liability for medical malpractice; nonmedical liability; liability for negligent ambulance service; informed consent and damages for both disclosed and undisclosed complications; standards for alternative methods of blood conservation and use; punitive damages; pregnancy-related actions; blood services, anesthesia, radiology, surgery, autopsy, and donation liability; hospital liability for the acts of a private physician; hospital antitrust liability; and theories of liability for the abuse and neglect of nursing home residents.</p>	HOSPLIAB
<p>Institute for Civil Justice at RAND</p> <p>Full text of selected publications from the Institute for Civil Justice (ICJ), an independent research program within RAND. ICJ's mission is to provide the results of empirically based, analytic research. ICJ publications cover topics such as litigation outcomes, dispute resolution, areas of liability, trends in the tort litigation system, mass torts and class actions, and the economic effects of the civil liability and compensation systems. Selected coverage begins with 1990.</p>	RAND-ICJ

<p>Kionka's Torts in a Nutshell</p> <p>Full text of <i>Torts in a Nutshell</i>, Fourth Edition, which discusses the origins and objectives of tort law and provides an overview of tort liability. The publication discusses physical harm, including strict liability and negligence; contract and tort; immunities; survival and wrongful death; and injuries to other interests. Not available to law school subscribers.</p>	TORTS-NS
<p>Law and Practice of Insurance Coverage Litigation</p> <p>Text of <i>Law and Practice of Insurance Coverage Litigation</i>. This treatise covers all aspects of insurance coverage litigation, including interpretation of the insurance policy and initial investigation by the insurer; settlement negotiations; choice of law issues, pleadings, discovery, and trial tactics; and issues that pertain to particular insurance policies (e.g., directors' and officers' liability insurance, employment practices liability insurance, and construction insurance).</p>	LPINLIT
<p>Law of Defamation</p> <p>Text of <i>Law of Defamation</i>, Second Edition, which provides step-by-step guidance to all aspects of modern defamation law, First Amendment issues, and defamation litigation. The treatise covers the public figure/private figure dichotomy, fault requirements, defamatory meaning, truth as a constitutional defense, opinion and fair comment, special harm, defamation and slander rules, common law privileges, damages and other remedies, invasion of privacy, emotional distress, injurious falsehood, negligent publication, counseling and strategy, insurance, and defamation in the workplace. It also includes checklists and charts detailing accepted guidelines and procedures.</p>	LDEF
<p>Law of Maritime Personal Injuries</p> <p>Text of <i>Law of Maritime Personal Injuries</i>, Fifth Edition, which provides comprehensive coverage of maritime personal injury issues, including remedies of harbor workers and passengers and visitors, bringing actions, wrongful death, limitation of liability, suits against the government, products liability, and indemnification. The treatise also discusses leading cases; legislation such as the Longshore and Harbor Workers' Compensation Act; and rules of practice and procedure.</p>	MARITIME
<p>Lawyers Desk Reference 9th Edition</p> <p>Full text of <i>Lawyers Desk Reference</i>, Ninth Edition, which includes lists of standards-issuing groups, such as the American National Standards Institute and the American Society for Testing and Materials; film and video titles; reproductions of the table of contents pages of basic safety manuals; listings of publications available from domestic and foreign governmental sources; proceedings of the Systems Safety Society and the Human Factors and Ergonomics Society; sections on safety libraries; insurance, industry organization, and engineering indexes; listings of technical safety books, articles, and journals for continuing research; and addresses and phone numbers of testing laboratories.</p>	LAWDESKREF
<p>Lawyer's Guide to Elder Injury and Accident Compensation</p> <p>Full text of <i>The Lawyer's Guide to Elder Injury and Accident Compensation</i>, published by the ABA.</p>	ABA-ELDINJ

The treatise helps you examine your exposure and offers prescriptions for risk management to guard against personal litigation.</p>	LMAL
<p>Litigating Brain Injuries</p> <p>Full text of <i>Litigating Brain Injuries</i>, which comprises a legal volume and a medical volume providing all the information needed to litigate a brain injury case, including information on medical tests and experts and information on dealing with the brain-injured client and damages that may be relevant to brain-injured patients such as the need for long-term care or rehabilitation.</p>	BRAININJ
<p>Litigating Major Automobile Injury and Death Cases</p> <p>Full text of <i>Litigating Major Automobile Injury and Death Cases</i>, which includes all the practice information, forms, and expert guidance needed to litigate a major auto accident case from initial pleadings to verdict.</p>	MAID

Litigating Mass Tort Cases	MTL
Full text of <i>Litigating Mass Tort Cases</i> , which analyzes all leading cases and cites to all federal rules that apply to mass tort litigation. The treatise covers procedural law, strategy, processes, and proposed legislation and provides current information on class action cases, multidistrict litigation, and other forms of case congegrations.	
Litigating Minor Impact Soft Tissue Cases	LMISTC
Text of <i>Litigating Minor Impact Soft Tissue Cases</i> , which covers litigation of minor-impact soft-tissue cases from a plaintiff's perspective, including trial preparation, defense tactics, pretrial practice, and trial strategies. The authors also cover locating biomedical and engineering literature relating to motor vehicle crash litigation, as well as forensic applications of the literature at trial.	
Litigating Premises Security Cases	LPSECUR
Full text of <i>Litigating Premises Security Cases</i> , which discusses all aspects of a premises liability case from initial investigation through trial. The treatise contains all the forms necessary to bring a premises liability case, including victims' compensation forms from all states.	
Litigating Tort Cases	LITGTORT
Full text of <i>Litigating Tort Cases</i> , a joint publication of West and the American Association for Justice (formerly the Association of Trial Lawyers of America) that provides an extensive set of road maps for plaintiffs' attorneys to consult in designing strategies for dealing with the most crucial procedural issues encountered in tort litigation. The treatise also includes more than 20 chapters covering the kinds of tort litigation most commonly encountered.	
Litigating Truck Accident Cases	LTAC
Full text of <i>Litigating Truck Accident Cases</i> , which contains all the information you need to litigate a truck accident case from initial pleadings to verdict, including forms and federal and state regulations. The treatise includes a special chapter on sleep deprivation, one of the most common causes of truck accidents.	
Mass Tort Settlement Class Actions: Five Case Studies	MASSTORTCA
Full text of the Federal Judicial Center's <i>Mass Tort Settlement Class Actions: Five Case Studies</i> , published in 1998, which analyzes five mass tort cases, exploring such issues as whether discovery should be allowed in secret settlement negotiations when the negotiations represent tens of thousands, or even millions, of individuals; whether judges should conduct proceedings in the nature of trials to review the merits of the proposed settlement; who should get what kind of notice and at whose expense; and how judges should assess the adequacy of class representatives and counsel.	
Mastering Vehicle Injury Cases	VEHINJCS
Full text of <i>Mastering Vehicle Injury Cases</i> , which provides step-by-step guidance on handling vehicle injury cases, from client selection to closing argument. The treatise places a special emphasis on medical evidence, experts, and proof.	
Medical Malpractice	PLIREF-MEDMAL
Text of PLI's <i>Medical Malpractice: Discovery and Trial</i> , Seventh Edition, which covers the law of medical malpractice (physician and hospital liability, defenses, and damages), trial preparation (pleading practice, discovery, and pretrial motions), and trial practice and procedure (jury selection, opening statement, presenting the case, cross-examination, jury instructions, summation, and judgment).	
Medical Malpractice: Checklists and Discovery	MEDMALCD
Full text of <i>Medical Malpractice: Checklists and Discovery</i> , a treatise on pretrial discovery, which provides pattern interrogatories, deposition checklists, requests for production, and other practical information about medical malpractice actions for both plaintiffs and defendants. It also contains research references, author commentary, and state discovery rules governing interrogatories, requests for production, depositions, and sanctions.	
Modern Scientific Evidence: The Law and Science of Expert Testimony	MODSCIEVID
Full text of <i>Modern Scientific Evidence: The Law and Science of Expert Testimony</i> , which provides attorneys and judges with the necessary legal and scientific background for dealing with scientific evidence and expert witnesses.	

Modern Tort Law: Liability and Litigation 2d	MTLLL
Text of <i>Modern Tort Law: Liability and Litigation</i> , Second Edition, which can help you determine whether a cause of action exists and get quick, reliable answers to questions on tort law, the development of liability, and litigation techniques and defenses. The treatise discusses both traditional tort concepts, such as nuisance, master-servant relationships, and negligence, and more recent concepts, such as medical malpractice, professional malpractice, and products liability.	
Motor Vehicle Specialist	MV-SPECIALIST
A multibase containing treatises, forms, and other documents covering all aspects of motor vehicle tort law. Coverage varies by source.	
Negotiating and Settling Tort Cases	PI-SETTLE
Text of <i>Negotiating and Settling Tort Cases</i> , a comprehensive guide to effective settlement techniques in the context of personal injury litigation, including how to evaluate a case and negotiate a settlement; structured versus lump-sum payout considerations; how to effectively use mediation; and how to handle post-settlement issues such as government benefit programs (Medicare and Medicaid), health care liens, taxation of personal injury awards, liens and subrogation, 468b qualified settlement funds, and mass-tort settlements.	
Pattern Discovery: Motor Vehicles Third Edition	PDMV
Full text of <i>Pattern Discovery: Motor Vehicles</i> , Third Edition, which discusses pretrial discovery techniques applicable to accidents and products liability actions involving motor vehicles. Includes pattern interrogatories, requests for production and admissions, and deposition checklists.	
Pattern Discovery: Premises Liability Third Edition	PDPREML
Full text of <i>Pattern Discovery: Premises Liability</i> , Third Edition, which discusses pretrial discovery techniques applicable to actions involving premises liability. Includes pattern interrogatories, requests for production and admissions, and deposition checklists.	
Pattern Discovery: Tort Actions Third Edition	PDTORT
Full text of <i>Pattern Discovery: Tort Actions</i> , Third Edition, which covers discovery in tort actions, including pattern interrogatories, depositions, requests for production of documents, and preparation of witnesses for trial.	
Pharmaceutical and Medical Device Litigation	PHARMALIT
Full text of <i>Pharmaceutical and Medical Device Litigation</i> , which discusses how products liability and negligence claims against drug and medical device manufacturers are developed, litigated, and resolved. The treatise includes many examples of actual forms and pretrial orders used in recent multidistrict litigation.	
Premises Liability 3d	PREMLIAB
Full text of <i>Premises Liability</i> , Third Edition, which covers the liability of landowners for injuries that occur on their property, including classifications of entrants (e.g., social guests, invitees and licensees, trespassers, and business visitors) and duties owed by landowners and others; liability of landlords and tenants; contractor liability; hazards peculiar to types of premises (e.g., amusement parks, automobile service stations, and vacant buildings); causes of injury (e.g., negligence, building defects, and statutory violations); and landowner defenses.	
Preparation and Trial of Medical Malpractice Cases	PMMC
Full text of <i>The Preparation and Trial of Medical Malpractice Cases</i> , which discusses issues such as how to recognize a meritorious case; the doctrine of alternative liability; the evidentiary value of Food and Drug Administration approval or nonapproval; the continuing treatment doctrine; state statutes regarding motion practice; the malpractice liability of alternative medical practitioners; the violation of the duty to disclose information; contributory negligence in informed consent; distinguishing between medical malpractice and ordinary negligence; and the liability of nurses.	
Privacy Torts	PRIVTORTS
Full text of <i>Privacy Torts</i> , which analyzes the following privacy torts: intrusion upon seclusion, public disclosure of private facts, false light in the public eye, breaches of fiduciary duties and duties of confidentiality, and misappropriation.	

Punitive Damages: A State-by-State Guide to Law and Practice	PUNITIVE
Full text of the treatise <i>Punitive Damages: A State-by-State Guide to Law and Practice</i> .	
Punitive Damages: Law and Practice	PDLP
Full text of <i>Punitive Damages: Law and Practice</i> , Second Edition, which provides comprehensive coverage of the proposals for the reform of punitive damages at the state and federal levels.	
Recovery for Wrongful Death	WRONGDEATH
Full text of <i>Recovery for Wrongful Death</i> , Fourth Edition, which provides detailed analysis of the substantive and procedural issues arising out of wrongful death cases.	
Restatement of the Law–Torts	REST-TORT
Complete text of the <i>Restatement of the Law First–Torts</i> ; the <i>Restatement of the Law Second–Torts</i> , which covers intentional harm to persons, land, and chattels; negligence; strict liability; misrepresentation; defamation; injurious falsehood; privacy; unjustifiable litigation; interference in domestic relations; interference with advantageous economic relations; defenses and remedies; the <i>Restatement of the Law Third–Torts, Products Liability</i> , which deals with the liability of commercial product sellers and distributors for harm caused by their products, including legal standards for manufacturing defects, design defects, and inadequate instructions or warnings defects; the <i>Restatement of the Law Third–Torts, Apportionment of Liability</i> , which states the principles of comparative negligence; tentative draft no. 3 of the <i>Restatement of the Law Third–Torts, Liability for Physical Harm (Basic Principles)</i> ; and draft-related documents from the <i>ALI Reporter</i> .	
Risk: Health, Safety, and Environment	RISKHSE
Selected materials published in <i>Risk: Health, Safety, and Environment</i> (formerly <i>Risk: Issues in Health and Safety</i>), the official journal of the Risk Assessment and Policy Association. This refereed, interdisciplinary quarterly explores public and private efforts to manage science and technology for a net reduction in the probability, severity, and aversive quality of health, safety, and environmental impacts of natural and artificial hazards. Coverage begins with 1990 (vol. 1).	
Sack on Defamation: Libel, Slander, and Related Problems	PLIREF-DEFAM
Text of PLI's <i>Sack on Defamation: Libel, Slander, and Related Problems</i> , Third Edition, which provides legal, tactical, and strategic insight into libel, slander, and related causes of action, including constitutional principles; truth; opinion; standards of conduct; privilege, immunity, and preemption; damages and other remedies; and retraction. Litigation (discovery, jurisdiction and choice of law, motion practice, and appeal) and the role of insurance are also covered.	
Stein on Personal Injury Damages	STEIN
Full text of <i>Stein on Personal Injury Damages</i> , Third Edition, which contains extensive individual case summaries, practice commentary, personal injury cases organized by the major body part or system injured, actions taken by reviewing courts, investigative checklists, pattern discovery tools, pleadings, pattern jury instructions, and sample settlements and releases.	
Stein on Personal Injury Damages–Practice Aids	STEIN-FRM
Full text of the practice aids sections of <i>Stein on Personal Injury Damages</i> , Third Edition. The practice aids sections include investigative checklists, discovery tools, pleadings, pattern jury instructions, and sample settlements and releases.	
Stein on Personal Injury Damages–Treatise	STEIN-TREATISE
Full text of the treatise sections of <i>Stein on Personal Injury Damages</i> , Third Edition. The treatise sections discuss compensatory and punitive damages in personal injury actions, including special tort actions and wrongful death actions, as well as damages for medical expenses, pain and suffering, bodily injuries, emotional injuries, and lost earnings.	
Tort Trial and Insurance Practice Law Journal	TTIPLJ
Full-text articles from the <i>Tort Trial and Insurance Practice Law Journal</i> (formerly the <i>Tort and Insurance Law Journal and the Forum</i>) published by the ABA's Tort Trial and Insurance Section. Selected coverage begins with 1982 (vol. 17).	

Toxic Torts Litigation Guide	TOXICTORTS
-------------------------------------	------------

Full text of *Toxic Torts: Litigation Guide*, which covers toxic tort litigation and other issues common to mass tort litigation, including theories of liability and damages, proof of medical causation, merit-based and procedure-based defenses, collateral insurance and bankruptcy issues, case management, discovery issues, settlement strategies, trial tactics, and issues peculiar to various toxic agents.

Toxic Torts Practice Guide	TOXICTPG
-----------------------------------	----------

Full text of *Toxic Torts Practice Guide*, which covers toxic torts litigation, including common law causes of action; actions based on federal or state statutes, including citizen suits; class actions; burdens of proof; expert witnesses; discovery issues; joint liability and liability of secondary contributors; damages; defenses; and trial tactics.
