

Westlaw Dockets Coverage

Dockets information is available in Dockets databases on Westlaw and from Westlaw CourtExpress.

- Dockets databases on Westlaw enable you to access case docket information without having to leave your office or contact court staff.
- Westlaw CourtExpress (available at courtexpress.westlaw.com) is a custom-designed research tool for docket searching. It includes easy-to-use templates and other docket research features.

This guide lists dockets coverage on Westlaw and online from Westlaw CourtExpress. (When documents are not available electronically, or if you need a hard copy, Westlaw CourtExpress also offers delivery from any court in the U.S or around the world.) Online dockets coverage information includes the following:

- **Jurisdiction:** Access dockets from the following courts:

- | | | |
|--|---|---|
| ▪ U.S. Supreme Court | ▪ U.S. District Courts by Circuit | ▪ U.S. Tax Court |
| ▪ U.S. Courts of Appeals | ▪ U.S. Bankruptcy Courts | ▪ Miscellaneous Courts |
| ▪ U.S. District Courts | ▪ U.S. Bankruptcy Courts by Circuit | ▪ State and County Courts |

 = In jurisdictions that are shaded, you can link from a dockets document to related information available on Westlaw. Linked materials include associated case law, court rules, statutes, briefs, trial documents, attorney and judge profiles, and litigation history reports.

- **Docket Alerts:** Search court dockets for new case filings that meet your search criteria.
- **Docket Tracks:** Monitor additions to the docket for a specified case.
- **CourtExpress Find by Case Number:** In Westlaw CourtExpress, find a docket when you know the court docket number for a specific case. When available, this feature retrieves real-time any docket that is electronically available from the court.
- **Terms and Connectors Search Coverage:** As an alternative to templates, search using the Terms and Connectors search method. The listed date range represents the period during which dockets are indexed for retrieval by this method. For retrieving dockets outside this date range, a search template or the court docket number must be used.
- **Included in DOCK-ALL:** Know whether dockets are available for the court in the Dockets–State and Federal Courts Combined (DOCK-ALL) database on Westlaw.
- **Criminal Dockets:** Know whether criminal dockets are available for the court. (Civil dockets are available for all courts with available dockets.)
- **Other:** Know whether other dockets are available for the court, such as probate, domestic, small claims, or tax court dockets. (If no other dockets are indicated, other dockets may still be available.)
