If any of the databases in a Per Minute billing session Multi-Search Database search contains an Excluded Charges database, as defined herein, all charges associated with such search shall be Excluded Charges.

If any of the databases in a Transactional billing session multiple database search contains one or more Excluded Charges databases, the portion of charges associated with such search that are derived from the Excluded Charges databases shall be Excluded Charges. Only the number of Excluded Charges databases will be counted to determine the discount that will be applied against such multiple database search charges.

“Use or disclosure of the data contained on this sheet is subject to the restriction on the title sheet of this proposal or quotation.”

Name of Offeror or Contractor **West, a Thomson Reuters business**

Westlaw Public Records Databases and Services shall also be available as Excluded Charges under either the Per Minute/ Transactional Option (CLIN 1010) or the Concurrent User Option (CLIN 1011B) to Agencies selecting the Fixed Monthly Charge Option.

West may, at its option, make certain databases, Features and services Excluded Charges if West is contractually bound or otherwise required to do so by a Contributor of Data or if the databases, Features or services are enhanced or released after the effective date of the Amendment.

The Fixed Monthly Charge, for an agency that: a) accesses Westlaw via another pricing option, b) accesses another/competing online service or c) has no previous access to any computer assisted legal research service, will be determined by assessing and considering the Agency's applicable past online use, historic traffic patterns, forecasted use based on employment projections and anticipated workloads and data needs; provided, however, in no event shall the Fixed Monthly Charge be less than \$1,000.

If an Agency elected the Fixed Monthly Charge Option in a prior fiscal year, the Agency's Fixed Monthly Charge for the succeeding fiscal year is determined by calculating the Agency's actual average Westlaw charges (at Per Minute/Transactional Option rates) during the initial 9 months of the prior fiscal year (the "Recalculation Period") and determining the percent increase as set forth below:

If the Agency's actual average Westlaw charges from the initial 9 months of the prior Recalculation Period:

- Are equal to or are less than the Fixed Monthly Charge from the prior fiscal year, the Fixed Monthly Charge for the following fiscal year shall be 2.5% more than the Fixed Monthly Charge from the prior fiscal year.
- Are more than the Fixed Monthly Charge but less than 1.5 times the Fixed Monthly Charge, from the prior fiscal year, the Fixed Monthly Charge for the following fiscal year shall be 5% more than the Fixed Monthly Charge from the prior fiscal year.
- Are 1.5 times or more than the Fixed Monthly Charge but less than two times the Fixed Monthly Charge from the prior fiscal year, the Fixed Monthly Charge for the following fiscal year shall be 7.5% more than the Fixed Monthly Charge from the prior fiscal year.
- Are two times or more than but less than three times the Fixed Monthly Charge from the prior fiscal year, the Fixed Monthly Charge for the following fiscal year shall be 10% more than the Fixed Monthly Charge from the prior fiscal year.
- Are three times or more than but less than four times the Fixed Monthly Charge from the prior fiscal year, the Fixed Monthly Charge for the following fiscal year shall be 12.5% more than the Fixed Monthly Charge from the prior fiscal year.
- Are four times or more than but less than five times the Fixed Monthly Charge from the prior fiscal year, the Fixed Monthly Charge for the following fiscal year shall be 15% more than the Fixed Monthly Charge from the prior fiscal year.
- Are five times or more than but less than six times the Fixed Monthly Charge from the prior fiscal year, the Fixed Monthly Charge for the following fiscal year shall be 17.5% more than the Fixed Monthly Charge from the prior fiscal year.
- Are six times or more than the Fixed Monthly Charge from the prior fiscal year, the Fixed Monthly Charge for the following fiscal year shall be 20% more than the Fixed Monthly Charge from the prior fiscal year.

For new locations added during any fiscal year, West will charge \$115.00 per month per password issued, which will not be prorated for **any password added during any month of the fiscal year**. Each Westlaw user will be required to have his or her own password. Westlaw passwords may only be used by the person to whom the password is issued. Sharing of Westlaw passwords is STRICTLY PROHIBITED.

An Agency can elect the Fixed Monthly Charge Option anytime during a fiscal year. However, in such case, the option will not be retroactive to the beginning of such fiscal year. Rather, it will be implemented the first full month after the effective date of the election of the option and will continue until the end of the fiscal year.

West or the Agency may terminate the Fixed Monthly Charge Option upon thirty (30) days written notice to the other party. The Agency can then elect Per Minute/Transactional Option (CLIN 1010), Concurrent User Option (CLIN 1011B) or Volume Discount (CLIN 1011C) rates. If the Agency terminates the Fixed Monthly Charge Option, it cannot reinstate the Fixed Monthly Charge Option pricing within the same fiscal year.

West may, at its option, make certain databases and features Excluded Charges if West is contractually bound or otherwise required to do so by a contributor of data to West, or if the features or databases are enhanced or released after October 1, 2008.

Under the Concurrent User Option, an Agency (or any division of an Agency or any combination of divisions of an Agency), will pay a monthly guarantee for access to and use of Westlaw Databases only ("Westlaw Monthly Guarantee"), Westlaw and NewsRoom ("Westlaw and NewsRoom Monthly Guarantee") and/or Westlaw Public Records Databases and Services ("Westlaw Public Records Monthly Guarantee") for the number of authorized concurrent users ("Concurrent Users"), regardless of the number of passwords issued to the agency. The Westlaw Public Records Monthly Guarantee must be combined with a current Westlaw subscription, including but not limited to, the Per Minute/Transactional Option (CLIN 1010), Fixed Monthly Charge Option (CLIN 1011A) or the Westlaw Monthly Guarantee or the Westlaw – NewsRoom Monthly Guarantee under the Concurrent User Option.

Under the Concurrent User Option, two options will be available when users, in excess of the number of authorized Concurrent Users, attempt to access the Westlaw, Westlaw and NewsRoom or Westlaw Public Records options.

Under Option 1, a user in excess of the number of authorized Concurrent Users will receive a "warning screen" and **will not** be permitted to access the service at that time and will need to re-enter his/her password at a later time.

Under Option 2, a user in excess of the authorized number of Concurrent Users, will receive a "warning screen" and shall receive access to the applicable service. All charges associated with usage by such user(s) for that particular sign-on will be billed to the Agency at then-current Per Minute/Transactional Option rates and such charges will be in addition to the Westlaw Monthly Guarantee, the Westlaw and NewsRoom Monthly Guarantee or the Westlaw Public Records Monthly Guarantee.

West will assist the agency in determining the number of Concurrent Users necessary to meet the Agency's computer-assisted research needs based upon the Agency's applicable past online use, the historic traffic patterns and the forecasted use based on employment projections and work loads.

After an Agency and West have been in discussions regarding a Concurrent User Option, the Agency must notify West in writing of its acceptance of the Concurrent User Option at least five (5) working days prior to the first day of the month in which the Concurrent User Option is to be effective.

The Westlaw Monthly Guarantee will include access to and use of the following:
