

Government Contracts Library

Navigate government procurement and contracting with unlimited access to the Government Contracts Library on Westlaw® for an affordable monthly rate.

GAIN ACCESS TO MORE GOVERNMENT CONTRACTS RESOURCES THAN EVER BEFORE

Whether you're dealing with preaward, performance, or disputed issues, you can find the authority you need. This Library offers easy access to the latest updates in the regulations, statutes, and cases, as well as bid protest information, that control government procurement and contracting.

WHY YOU SHOULD CONSIDER THE GOVERNMENT CONTRACTS LIBRARY

The Government Contracts Library provides ready access to all relevant government contracts laws. With up-to-date information, these resources will help you in the procurement and management of contracts, and offer authority relevant to bid protests.

Pinpoint or broaden your legal research and link to related materials with easy-to-use tools such as: FIND, Locate, Linking, and Field Browsing.

Your subscription also includes a FREE invitation to the Government Contracts Year-In-Review Conference.

STAY ON COURSE

The Government Contracts Library represents a wide scope – yet highly focused view – of the law controlling the government procurement and contracting field. For ease of searching, BCA Decisions can be accessed by agency.

Organize, analyze, and stay on course using this valuable resource. The Government Contracts Library will offer you an enhanced and comprehensive understanding of what is necessary to compete in the government procurement and contracting field.
