

Option 6—Other Pricing Solutions

Recognizing that state and local agencies may have diverse and unique online legal research needs that cannot be met by scheduled pricing options, West is also offering three alternative pricing solutions. These alternative pricing solutions provide Purchasing Agencies with maximum flexibility to purchase online legal research packages that are specifically tailored to the unique legal research needs of individual agencies and end users.

Option 6A: State Essentials

This content package contains the most essential legal research tools available for each specific state. We are offering this essential package for all fifty states plus territories. This is a great option for smaller agencies that need quick access to accurate case and statutory law. It includes Key Cite so they will be confident in the currency of their research.

Option 6B: Special Packages

Legal research needs vary widely from agency to agency depending on the nature of the work performed and the unique legal research needs of the end users. When an agency's needs cannot be met by the pricing options outlined in Options I-III, West can create special packages that are tailored to an agency's unique legal research needs. This will allow an agency to enjoy the best value, in terms of both price and content.

Option 6C: Westlaw PRO Library Collections

Westlaw PRO Library Collections are slices of Westlaw content that allow Purchasing Agencies the ability to purchase specific collections of Westlaw content to meet their unique online legal research needs. West will offer Purchasing Agencies a 15% discount off of then-current retail pricing from our entire catalog of Westlaw PRO library collections for a one year commitment. Westlaw PRO is a great alternative option for agencies that have unique research needs and must access content that is not available under the previously listed options. Any agency can search for our commercial and current Westlaw PRO libraries by visiting our online store at west.thomson.com. Alternatively, please contact your local West government representative to obtain more information. The 15 % discount off of any Westlaw PRO product is available to any authorized government agency committing to a one year commitment. Additional discounts apply for longer term commitments:

Commitment Term	NASPO Discount
1 year	15%
2 year	17%
3 year*	20%
